Report	<p>Field Trip to Poultry farm has been organized by the Department of Zoology on 10-12-21 for B.Z.C II semester and D.Z.C. II semester students of Government Degree College Bhupalpally. The location of poultry farm is in Gangaram village, 35 kms from college. It has the brooder house, grower house & layer houses. About 3000 layers are reared in cage system. Owner of the poultry farm accompanied us and explained about the various routine activities and management practices carried out in poultry farm. First he took us to the brooder house where one day old chicks are brought and reared, after 35 days in the brooder house they are then shifted to grower shed which is present next to it, for three months. Then they are shifted to layer houses. Students observed routine activities carried out in poultry farm like cleaning, watering, feeding, collecting eggs etc.,</p> <p>.</p>

STUDENT FIELD TRIP

Field Trip to NIT, Warangal

National Institute of Technology, Warangal (NIT, Warangal) formerly known as Regional Engineering College (REC) was established in 1959.

The Institute is well known for its dedicated faculty, staff and the state-of-the-art infrastructure, conducive to a healthy academic environment.

Our college went to field trip to NIT Warangal for one day.

Our principal has arranged a R.T.C Bus around 100 members of students were participated along with principal and faculty members with 2 attendants.

On the eve of Science day celebrations NIT principal, Prof. Dr. Lakshma Reddy Garra gave permission to attend the celebrations for one day i.e. 25-02-2022.

On that day we started at 6.30 AM from Bhupalpally, college campus and we reached NIT Warangal at 8.30 AM and we finish breakfast and attend the FIM sessions.

The F/W Session starts with a seminar on the excellency of Autobiography of "HAR GOBIND KHORANA". He completed his schooling under a tree in a village of 100 people. He is the only one Indian Scientist who cracked the "Genetic code" in 1958 and continued his work by the content and depth of DNA structure and also mutations in DNA, Amino Acids and coding structure. All these things were explained very interesting by prof Dr. Ch. Mohan Rao Garu.

Later on at 10.30 AM A magic show with magicians was conducted. They explained the hidden science in magic show.

After Tea break A Seminar on 'CREATIVITY AND INNOVATION' is given by a great personality prof. L. ANJANEYULO Gnan. He explained about the creative ideas and implementation of New discoveries with the help of Science and Technology.

In the Afternoon we had lunch at NIT Warangal canteen. We move to the exhibition of Science which exposed the branches of Science. a beautiful presentations of School children with the help of exhibits.

Later we move to Space Station arranged in the Bus. The branch of ISRO Scientist are prepared a Artificial Space to know the knowledge of Technology. They prepare 'chandrayan' & 'Mangalyan' models and exhibited in the Bus.

Later we watch a Short movie on Great Female doctors. who completed their Journey in Science field successfully in India nearly 100 years back. These Indian Scientists are not famous in name, but their strong contribution to built path towards Science.

Finally we visited Department of Mathematics Dr. Benarji Babu A. Associate professor in Mathematics give valuable suggestions and Employment opportunities with the Mathematics subject and also give suggestion to get good rank in IIT JAM exams.

At last we finished our field trip to NIT Warangal by 6'o clock. Our students are very happy & joy.

Interaction with Prof Dr. Benarji Babu A.

Ramappa Temple

Rameswara Temple is recognized by UNESCO as a Heritage site on 25 July 2021, which is located at Palampet village, Mulug District. Our college staff members and I, II & III Year students visited Rameswara Temple. In the temple the architecture is enthralling & the monuments are amazing. The idol & the statue of Lord Shiva is realistic one. The temple was constructed in the year 1213 CE by Recherla Rudra. It is historical & popular temple in Telangana.
