Strategic plan for 5 years (2017 – 2022)

Planning is crucial for the development of an institution and to meet its goals and objectives. By following a strategic plan we could achieve our objectives successfully.

The institution has a well defined vision and mission which envisions a system dedicated to promoting its goals by proper execution. The principal, faculty and IQAC coordinator, prepare a strategic plan for the next 5 years which is in accordance with the vision and mission of the college.

The objective of this planning is to identify the problems that occur and how to overcome them before hand.

Infrastructure :

At present our institution is running all the classes in junior College building in shift system. Immediately we understand the essentiality of building and infrastructure exclusively for Degree College

- Securing a full fledged building with labs
- Securing enough number of systems
- Establishing a computer lab with good internet connection
- Securing sufficient furniture like desks, tables, chairs etc..
- Purchasing equipments for sports and games

Curricular plan :

- Strengthening the existing courses
- Procuring the latest lab equipments
- Procuring more number of books in the library
- Introducing certificate courses and add on courses

Teaching and learning plan :

- Procuring more number of books for various competitive exams
- Procuring of online teaching and learning resources
- Acquiring MOU's with other institutions

Community engaging plan :

- With the involvement of NSS volunteers more number of outreach programs like clean and green, plantation drive and awareness programs will be conducted.
- Encouraging faculty to publish more number of research papers
- Conducting faculty exchange program.

Institutional plan for the next 5 years (2022-27)

Planning plays a pivotal role for development of any institution. It guides to achieve goals and objectives in a proper manner. The institution has to adopt a strategic plan to achieve its objectives successfully.

The planning is well defined in accordance with the vision and mission of the college and effectively deployed. The principal, IQAC coordinator and faculty altogether prepares a strategic plan for the next 5 years.

The main objective of the plan is identify the challenges that occur in future and how to overcome them step by step.

Infrastructure :

- At present the college has only 8 rooms which constructed and still we are using junior College building to run the classes. So securing additional classrooms is our main priority to accommodate remaining classes.
- The college has to secure more number of computers as per student ratio.
- Procuring gym facility
- Establishing full fledged labs

Curricular plan :

- introducing more number of certificate courses and add on courses
- Strengthening the existing courses and skill oriented courses
- Procuring lab equipments

Teaching and learning plan :

- Subscribing more number of journals magazines and e journals
- Library automation
- Acquiring MOU's with other institutions
- Procuring ICT based teaching learning resources

Community engaging plan :

- As a part of best practice of our institution the NSS volunteers conduct more number of out reach programs
- Encouraging faculty to pursue PhD course and publish more number of research papers
- Conducting faculty exchange programs
