IQAC Policies , Procedures and Contribution: Report Summary

The Government Degree College Bhupalpally established Internal Quality Assurance Cell in 2018 and it has been reconstituted from time to time. The IQAC ensures the effective implementation of quality initiatives through continuous reviews and periodic meetings. The IQAC works towards attaining excellence in all academic and administrative endeavours of the institution.

The policies and procedures are broadly governed by the Commissionerate of Collegiate Education , Government of Telangana and implemented by various committees of the college under the guidance of the Principal. The prime objective of IQAC is to guide and monitor academic, co-curricular and extracurricular activities with a view to sustain quality in academic and administrative systems.

IQAC plays significant role in:

- Coordinating the faculty members in preparing annual curricular plans, teaching plans and other records for the purpose of academic audit and NAAC processes.
- Supervises the execution of these plans through periodic reviews and strives to improve quality education.

- Gives necessary suggestions for improving teaching learning process in the institution and acts as a base for institutional functioning.
- Development of Quality Culture in the institution for improving teaching learning process in the institution.
- Facilitates the learner-centric environment to quality education.
- Encourages and trains the faculty to adopt the required knowledge and integration of modern methods of teaching and learning technology for participatory teaching and learning process.
- Documentation of the various programs/activities leading to quality improvement.
- Organization of inter and intra institutional workshops, seminars on academic and research programs.
- Acts as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Collection and analysis of feedback response from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on various quality parameters to all stakeholders.

IQAC Initiatives during the last five years:

The IQAC has taken number of quality initiatives, to uphold the vision and mission of the institution by promoting quality culture in academic and administrative systems during the last five years.

- IQAC has encouraged the staff to register themselves for the Ph. D programs. As an outcome three faculty members are pursuing Ph. D and completed pre Ph. D exam.
- The IQAC has encouraged the staff to attend RCs, OCs, FDPs, and other training programs. As a result the number of professional training programs attended by the faculty during the last five years has been increased.
- The IQAC has encouraged the faculty members to attend workshops, seminars and present papers in respective meetings. Most of the faculty members participated in seminars/workshops and published research papers.

- The IQAC organized One Day workshops to train the faculty members to teach online and make PPT presentation in COVID pandemic time.
- The IQAC encouraged the staff to adopt Blended learning by using ICT tools.
- The IQAC organized Faculty Development programs for teaching and non teaching staff.
- The IQAC organized life skill programs like Yoga and Karate for the holistic development of the students.
- The IQAC collected the feedback from the stakeholders such as students, parents, alumni, and teachers, analyzed and taken appropriate action basing on the results.

Metric No. 6.5.1

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities. Imparting quality education is a key aspect in an institution. Internal Quality Assurance Cell (IQAC) is established to enhance, promote and assure quality standards in bringing out the expected outcomes in the academic and administrative systems of the institution. It gives necessary suggestions for improving teaching learning process in the institution. It promotes quality culture in departmental curricular, co-curricular and Extra-curricular activities.
