Guiding Principles for Student Council

As the SR&BGNR Govt Arts and Science college is a Government Institution, it encourages its students to participate in the administration and policy making of the institution to incubate the spirit of democracy and leadership. The college has a 'Student Council' in which two representatives of each class (CRs) are members. These two members are elected from the active and meritorious students of the class informally in the presence of teacher mentors (Usually elected unanimously).

- The CRs represent their respective class in organizing various college events like awareness programmes, Induction for freshers, class seminars, extension lectures, blood donation camps, placement drives and so on.
- These CRs are also members of various administrative committees and act as connectors between the students and the administration to pass communication in both ways.
- They participate in the design of academic calendar and curriculum sometimes and also almanac of the college.
- They assist the teacher mentors in guidance and counseling of the mentees.
- They help the teachers in maintaining discipline and cleanliness of the college premises and departments.
- They represent their class in the common issues and grievances like drinking water, sanitation and other issues whenever arise.
- They encourage their class students to participate in sports and cultural events, seminars and other events at the college level, cluster level, university and state levels.
- They assist the staff when the college hosts National and International seminars, Workshops and Conferences and various Inter and Intra college events like YUVATARANGAM, University games and sports, for successfully organizing them.
- They also help in maintaining discipline during the outreach programmes of the college like rallies, runs and other Social and environmental responsibility activities.
- During clean and Green programmes like 'Swatch College' and 'Telangana ku Harithaharam' they co-ordinate and monitor the students' participation.
- They also see 'No Ragging' is practiced in the college premises.

Under the guidance of the Principal and the staff, the CRs, with the help of NCC Cadets and NSS volunteers of the college maintain and monitor the implementation of various Curricular, Co-curricular and extra-curricular activities of the college for the welfare of the students and development of the college. This helps them to develop themselves soft skills like self – confidence, group dynamics, leadership skills, public speaking, event organization and so on.
