

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MoU") has been agreed, made and executed on this 17th day of January 2023.

By and between

LRR Technologies (Hyderabad) Pvt Ltd (referred to hereafter as "100pins"), located at 305, 6-3-628/9/3&4, Anand Nagar Colony, Khairatabad, Hyderabad – 500004 and represented by its Managing Director as First party

and

The Commissionerate of Collegiate Education, Government Of Telangana, Vidya Bhavan, Nampally, Hyderabad 500001 (herein after known as CCETS, Hyderabad which expression shall mean and include its heir, successors, executors, administrators, authorized representatives and permitted assigns) representing as Second Party

(**LRR Technologies (Hyderabad) Pvt Ltd** and **CCETS** shall hereinafter be collectively referred to as the "**Parties**" and individually referred to as "**Party**" in this MOU)

Purpose

This MoU is being entered into for the following reasons:

1. Enable the development and operation of certain official web and mobile apps for the CCETS and for all the colleges under the CCETS, by 100pins, using 100pins' proprietary code, themes, hosting infrastructure and messaging engines
2. Authorize 100pins to upload the mobile apps (first version and all subsequent updates) to the Google Play Store and Apple App Store on behalf of the CCETS.

K. Han

ANW

Responsibilities and Rights of the Parties

1. 100pins will offer the services mentioned above for free of cost. Any data shared by the colleges under CCETS with 100pins, or by the users who use the web/mobile apps, will reside on the machines hosting the apps (or their backups). 100pins will be allowed by CCE to send messages of their own to the users of the web/mobile apps.
2. 100pins will create the applications, and upload them to the Google Play Store and Apple App Store through its own accounts. If CCETS would like the apps to be uploaded onto its own Play Store and Apple App Store accounts, it will need to share the credentials of such accounts with 100pins.
3. All content to be added to the apps will be the responsibility of the CCETS / the colleges under the CCETS. 100pins will merely provide a back-end content management system (CMS) to add the content.
4. CCETS will make downloading and usage of the apps built by 100pins mandatory for all the faculty, staff and colleges under it. Specifically, capturing student feedback for every class in each of the colleges under the CCETS will be made mandatory. The deadline for this will be January 31, 2023, for colleges based in Hyderabad, and February 28, 2023, for all the remaining colleges.
5. Moderation, appropriateness and legality of the content and the messages sent on the web/mobile apps will be the responsibility solely of the CCETS; 100pins is merely a technology provider. The CCETS and the colleges under it will need to abide by all the terms of using the 100pins services posted on the 100pins.com website, which will hold in case of any differences or disputes, and which may be revised from time to time.
6. Both Parties reserve the right to withdraw from this MoU at any time.
