<b>15. Multidisciplinary / interdisciplinary</b>	
<p>Nagarjuna Government College a multidisciplinary and interdisciplinary institution. It offers Programmes in five different faculty, namely Physical Sciences, Life Sciences, Social Sciences, Commerce and Management.</p> <p>Well before NEP 2020 introduced interdisciplinary element, with the permission of Telangana State Council for Higher Education introduced the system of interdisciplinary choice of courses to the students to choose from the buckets in the Online Admission System (DOST). A science faculty student can have an option to take an Arts/Commerce course and vice versa. An arts faculty student can choose Mathematics as one of the core subjects.</p>	
<b>16. Academic bank of credits (ABC):</b>	
<p>Commissionerate of Collegiate Education is running MOOCs courses under Swayam portal of UGC wherein the students can opt any subject along with the main course. This facility is given to all the Government Degree Colleges in Telangana. Our college also is a part of it. The Institution has an MoU with IIT Mumbai for spoken tutorials where the students take courses in skill enhancement like JAVA, Communicative English etc.</p>	
<b>17. Skill development:</b>	
<p>Nagarjuna Government College (A), Nalgonda, is devoted to Skill development of the students in various related fields. In this endeavour Skill Enhancement Courses are introduced and are made mandatory in all the semesters for the award of degree. Apart from these courses various certificate courses are such as MS office, Yoga, Tailoring, Spoken English, Communicating Skills, Silk thread and Bangle making, Kitchen and Terrace gardening, Hardware and Networking are conducted to make students industry and society ready.</p>	

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Nagarjuna Government College (A) Nalgonda is already committed to the introduction of traditional Indian knowledge systems to the students. All students are taught Yoga by the physical education department. Indian Languages such as Telugu, Hindi are part of the curriculum and one of them is essential to complete a programme. Apart from that Indian knowledge is integrated in teaching Telugu and Hindi courses since the institute has a collection of rare ancient manuscripts.

**19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Nagarjuna Government College (A) Nalgonda always focuses on outcome-based education. All the programs offered by the institute have well defined program outcomes, program specific outcomes and course outcomes. Outcome based education is reflected in the results of the students, number of students achieving ranks in PG entrance tests and the government jobs secured by the students of the institution.

**20.Distance education/online education:**

The Regional Centre of BR Ambedkar Open University is housed in the premises of the institute and it offers distance education. The institute has adopted a hybrid model of teaching-learning ,since the pandemic started in 2020 with online classes being offered whenever the students are unable to attend the classes.

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

Nagarjuna Government College (A), has strived to develop the curriculum of all programmes in accordance with the Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs), which are congruent with the mission statement of the institution.

There are several courses in different programmes which enable

students to assimilate and relate the local and regional needs and respond based on their Arts / Science / Commerce / Management / knowledge acquired. The project component embedded in Discipline Specific Courses (DSCs) provides excellent opportunity to the students to involve in the developmental activities of the Telangana Region. Substantial field work in the surrounding villages paves way for the analysis of physical and socioeconomic factors that influence the development and future growth of the cities in Telangana. Many extension and economic courses for the students of Arts involve interaction with the farmers, government agencies, Banks in and around Nalgonda through which students are often challenged with the problems faced by small scale industries and opportunity to provide relevant scientific solutions.

The institute is offering courses such as Data Science, Statistics, Microbiology, Biotechnology etc., to catch up with the national and global developmental needs. Some courses make students employable.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The main objective of this institute is to achieve excellence and to identify the respective learning levels of the students. Students from diverse socio-cultural, economical, and educational backgrounds are admitted to the college. The institution's continuous comprehensive evaluation system helps the teachers to

identify slow and advanced learners immediately after their entry into the college. At the entry-level, slow and advanced learners are identified through student marks and achievements in the entry-level examination or Dost admission.

Strategies adopted for slow learners:

- Personal counseling for understanding learning difficulties
- Regular Parent-Teachers meetings to involve parents also in the learning process
- Bilingual explanations to provide a comfortable environment for students to get their doubts clarified.
- Providing notes prior to the lecture.
- Providing course material and video lessons for further reference.
- Remedial teaching

Strategies adopted for advanced learners:

- Student as a teacher programs - students are trained to participate in delivering live presentations through TSAT Nipuna.
- Guiding and encouraging to participate in various study projects held at college and state level like JIGNASA.
- Awards/gold medals/ cash prizes/ Scholarship for meritorious students
- Various skill-based courses and communication development training for campus recruitment through TASK
- Departments give coaching for cracking entrance exams like PG CET

## 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The academic plan and curriculum of Nagarjuna Government Degree College, Nalgonda is student-centric.

The college has adopted various student-centric teaching-learning and pedagogical methods for enhancing the learning levels of the students. In regular classroom teaching, teachers employ experiential learning, problem-solving methodologies, classroom seminars, group discussions, project works, survey methods, field visits, field projects and review of books. Departments like Physical sciences, Life sciences commerce and social sciences are promoting field visits, study projects, Bank visits and field surveys etc. methods in the teaching-learning process to enhance the learning abilities of the students. Participative Learning: This is the best student-centric learning method, in which students actively participate in activities such as: Class seminars, Group discussions, Participation in debates, Questioning method/Quiz method, Research orientation through projects like Jignasa study project, etc. are being practiced in the college.

Experiential Learning: Field Trips/industrial visits: students are given an opportunity to visualize, experience, and discuss the knowledge gained by participating in Field trips. This learning helps the students to understand and appreciate subjects for a lifetime. In practical classes, all students get a hands-on experience of working on an experiment or on a new equipment.

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

#### Academic Calender / Almanac

Nagarjuna Government College (A), Nalgonda, prepares its institutional Academic Calender / Almanac (semester-wise) well in advance keeping in view, 90 teaching days in a semester. Almanac includes a schedule for the first and last day of instruction, internal assessment and external exams, deadlines for project submission if any, and short vacations. The approved academic calender / almanac is communicated to faculty and students and posted on the college website. The academic calendar / almanac helps the students, faculty, scheduling the activities according to the key dates throughout the semester and is strictly implemented in the college and the individual departments plan their activities accordingly.

#### Teaching Plan

Each faculty member adheres to the academic calendar while preparing teaching plans for the allotted courses which include a brief synopsis of the topic, pedagogy, participatory activities, and other requirements for effective teaching in a well-designed format. The number of hours in the teaching plan is framed depending on the credits of the course and made available to the students. Teaching Diaries, which are digital, are also maintained by each faculty and are reviewed in Departmental meetings. All these documents are regularly monitored by the incharges of the department.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in Examination Management System (EMS) of the Institution.

Impacts of Examination Reforms: Integrated Software is employed with up-gradation of the Examination Module from 2018-19 onwards. Due to this CoE office is able to publish the results within 45 days time. This enabled the institute to send Permanent Pass Register (PPR) to the Mahatma Gandhi University, Nalgonda, to prepare Provisional and Degree certificates in time.

IT integration helped the institute with the maintenance of records, especially for mark sheet verification and preservation of records. This facilitates the issue of duplicate mark sheets at the earliest. Based on the above reforms the overall efficiency of examination procedures and processes has increased in terms of accuracy and speed.

Positive impact of IT integration

\* Generation of Roll Numbers to the students.

\* Fees Collection (Examination fee and College fee) which is fully automatized and through Qedufix.

\* Generation of Examination form (including for backlogs, if any). Hall tickets, D-forms and Attendance Sheets. Codes and Decodes, Consolidated Marks Memos and Provisional Certificates. Result Analysis - Course-wise, Group-wise, and Subject-wise.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Programme Outcomes and Course Outcomes for all Programmes offered by Nagarjuna Government College (A) are stated and displayed on the website and communicated to teachers and students. The Programme outcomes (POs), Programme specific outcomes (PSOs) and Course outcomes (COs) accentuate the expected attributes of the graduates in the present competitive and challenging world. They are achieved by the time the students complete the Programme. The Programme specific outcomes are designed in conformity with Programme outcomes. The Programmes include inter and intra discipline combinations. The discipline combinations attain the desired outcomes by the end of Programme completion.

POs emphasize on the development of inter-related knowledge, skills, personality traits, competence, attitude, research, ethics and values, enriched with environment and sustainability consciousness that is expected to be acquired by the students at the time of their graduation. Course outcomes (COs) provide the enduring disciplinary knowledge, ability of thorough learning that is expected upon completion of a course.

The concerned departments offering the Programme, frames the Programme outcomes (POs), Programme specific outcomes (PSOs) and Course outcomes (COs) after continuous discussion with all the faculty of the department.

## 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The students graduating from the institution are expected to possess certain qualities, that are the attributes of designed Programme outcomes (POs), Programme specific outcomes (PSOs) and Course outcomes (COs).

Course outcomes provide a quantitative measurement for evaluating Programme outcomes. The Programme outcomes are achieved by mapping designed COs to the POs.

At the end of each Programme, the attainment of POs are calculated from the attainment of COs of all courses in a Programme. The attainment of COs in each Course of the Programme is compared with a predefined target. Measures are taken to reach the targets. The performance of the students in the Internals, semester end exams are used to compute the level of attainment of the POs and PSOs thus, mapping COs to POs and PSOs.

All the courses which contribute to the PO are evaluated using 3 levels of Assessment- DA- Direct assessment (10 marks), IA- Indirect Assessment (20 marks), FA-Final Assessment (70 marks)

The Direct assessment is done by evaluating the Assignments and Seminars. The indirect assessment is done through evaluation of internal exams and final assessment by evaluating the semester end exams.

### RESEARCH, INNOVATIONS AND EXTENSION

#### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The college has a research committee under the chairmanship of the Principal to monitor and promote a culture of research. The committee consists of 3 Senior Faculty members who have considerably long research experience, who act as per the well-defined research policy of the college. The research policy also encourages students to take up research-based activities. The Research Committee also encourages all the departments to focus on effective utilization of Faculty Development Programs, Major and Minor Research Projects, Participation in International, National, State level academic conferences/workshops/symposia/seminars.

Government of Telangana has given added incentives to autonomous colleges to foster research and publications among the faculty. The salient features of this policy are:

- Seed money of up to Rs.1,00,000/- may be given for minor research projects.
- For paper presentation, in both National and International conferences, total registration and 50% of economy airfare will be allowed once in 3 years. Additionally for International conferences an allowance of \$100/- per day, for a maximum of 3 days, will be allowed.
- An amount of Rs.5000/- may be allowed to the faculty for publishing research papers in UGC approved or SCOPUS journals
- For publishing textbooks, reference books, with ISBN registration faculty may be paid upto Rs.30,000/-

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The college has started incubation center to encourage students and lecturers to think and discuss innovatively and creatively in all walks of life with practical approach. The Physical Sciences, Life sciences, Social sciences and Humanities faculty are members of this incubation center. These ideas are put forth in front of Faculty Forum to observe and discuss the possibilities. In 2018-19 a student of commerce innovatively prepared a shock proof circuit used for Pumpsets, coming up with this idea to the college incubation center.. This may help many farmers to arrange this in their agricultural fields and work in shock proof environment. He won many accolades from District officials and other NGOs. This idea is materialising and getting support of market. This idea was exhibited on many platforms and appreciated. In life sciences, the students have been in the practice of identification of local fauna and flora and checking their Taxonomic position of flora and fauna. The college also aims to develop more innovative practices and inculcation of such practices in the curriculum and co-curriculum to develop small scale start-ups from the academic year 2022-23 with the help of T-Hub, an initiative of Telangana

The Museums are free dedicated to educating the students and public through exhibits, collections, public lectures and other programs. We strive to provide a wide range of unique learning experiences that will enhance our students understanding of the natural world.

Geology is to be studied/learned in the field only. It is not possible for any student to acquaint with all the types of Earth Materials in the classroom( i.e. Minerals and Rocks). Hence it is inevitable to collect and preserve the earth materials so that to expose/interact the student with them. The Retreat of earth materials is christened as MUSEUM.

The Zoology museum is housed with majority of the specimens are the collections made by the staff and students of the Zoology Department. A number of imported specimens like: Euplectella, Hyalonema, Phakelia, Chaetopterus, Basket Starfish, Lepidosiren, Protopterus, Amia, Lepidosteus, Acipenser Polypterus, Siren, Amphiuma, Poison-Arrow Frog, Phrynosoma Crotalus, European Viper, Japanese Snakes, Opossum and Kangaroo are only a few in the long list of rare specimens.

These museums help students to understand and are primarily for popularization of life sciences and earth science with the advancement and modernization of overall system of education and development of visual orientation of studies. These museums have become very essential for these subjects in the teaching and learning processes.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

Nagarjuna Government College (A), has strived to develop the curriculum of all programmes in accordance with the Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs), which are congruent with the mission statement of the institution.

There are several courses in different programmes which enable students to assimilate and relate the local and regional needs and respond based on their Arts / Science / Commerce / Management / knowledge acquired. The project component embedded in Discipline Specific Courses (DSCs) provides excellent opportunity to the students to involve in the developmental activities of the Telangana Region. Substantial field work in the surrounding villages paves way for the analysis of physical and socioeconomic factors that influence the development and future growth of the cities in Telangana. Many extension and economic courses for the students of Arts involve interaction with the farmers, government agencies, Banks in and around Nalgonda through which students are often challenged with the problems faced by small scale industries and opportunity to provide relevant scientific solutions.

The institute is offering courses such as Data Science, Statistics, Microbiology, Biotechnology etc., to catch up with the national and global developmental needs. Some courses make students employable.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The main objective of this institute is to achieve excellence and to identify the respective learning levels of the students. Students from diverse socio-cultural, economical, and educational backgrounds are admitted to the college. The institution's continuous comprehensive evaluation system helps the teachers to identify slow and advanced learners immediately after their entry into the college. At the entry-level, slow and advanced learners are identified through student marks and achievements in the entry-level examination or Dost admission.

Strategies adopted for slow learners:

- Personal counseling for understanding learning difficulties
- Regular Parent-Teachers meetings to involve parents also in the learning process
- Bilingual explanations to provide a comfortable environment for students to get their doubts clarified.
- Providing notes prior to the lecture.
- Providing course material and video lessons for further reference.
- Remedial teaching

Strategies adopted for advanced learners:

- Student as a teacher programs - students are trained to participate in delivering live presentations through TSAT Nipuna.
- Guiding and encouraging to participate in various study projects held at college and state level like JIGNASA.
- Awards/gold medals/ cash prizes/ Scholarship for meritorious students
- Various skill-based courses and communication development

training for campus recruitment through TASK

- Departments give coaching for cracking entrance exams like PG CET

## 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The academic plan and curriculum of Nagarjuna Government Degree College, Nalgonda is student-centric.

The college has adopted various student-centric teaching-learning and pedagogical methods for enhancing the learning levels of the students. In regular classroom teaching, teachers employ experiential learning, problem-solving methodologies, classroom seminars, group discussions, project works, survey methods, field visits, field projects and review of books. Departments like Physical sciences, Life sciences commerce and social sciences are promoting field visits, study projects, Bank visits and field surveys etc. methods in the teaching-learning process to enhance the learning abilities of the students. Participative Learning: This is the best student-centric learning method, in which students actively participate in activities such as: Class seminars, Group discussions, Participation in debates, Questioning method/Quiz method, Research orientation through projects like Jignasa study

project, etc. are being practiced in the college.

**Experiential Learning: Field Trips/industrial visits:** students are given an opportunity to visualize, experience, and discuss the knowledge gained by participating in Field trips. This learning helps the students to understand and appreciate subjects for a lifetime. In practical classes, all students get a hands-on experience of working on an experiment or on a new equipment.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

Nagarjuna Government College(A), Nalgonda, offers a blend of both traditional and modern tools for effective teaching and learning process and ICT enabled teaching forms an integral part of the teaching-learning process. All the teachers use ICT resources on the campus effectively, and usage of ICT in the institution includes student enrolment, administration, academics, examinations, and financial services.

Faculty use ICT-enabled tools to enhance the quality of teaching and learning viz.

- LCD projectors to screen documentaries, PPTs, and other audio-visual material
- Video teleconferencing facilities like Google Meet, Zoom, Cisco-Webex, Microsoft teams G-suite, Jamboards, etc. for online teaching, learning, and conducting meetings.
- All the faculty have their own Youtube channels to post their video lessons as additional inputs for students to use.
- Students and faculty are encouraged to access e-portals like SWAYAM, E-PATHSHALA, MOOCS, NPTEL etc to do online courses
- The college has an innovative approach - e-Adhyayan Kosh, a Digital Repository - for storing, distributing, and sharing digital learning resources that are accessible

not only to our students but also to others.

- During the pandemic, all instruction was done totally online, with teachers conducting classes, creating e-content, and sharing it with students.

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

#### Academic Calender / Almanac

Nagarjuna Government College (A), Nalgonda, prepares its institutional Academic Calender / Almanac (semester-wise) well in advance keeping in view, 90 teaching days in a semester. Almanac includes a schedule for the first and last day of instruction, internal assessment and external exams, deadlines for project submission if any, and short vacations. The approved academic calender / almanac is communicated to faculty and students and posted on the college website. The academic calendar / almanac helps the students, faculty, scheduling the activities according to the key dates throughout the semester and is strictly implemented in the college and the individual departments plan their activities accordingly.

#### Teaching Plan

Each faculty member adheres to the academic calendar while preparing teaching plans for the allotted courses which include a brief synopsis of the topic, pedagogy, participatory activities, and other requirements for effective teaching in a well-designed format. The number of hours in the teaching plan is framed depending on the credits of the course and made available to the students. Teaching Diaries, which are digital, are also maintained by each faculty and are reviewed in Departmental meetings. All these documents are regularly monitored by the incharges of the department.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in Examination Management

## System (EMS) of the Institution.

**Impacts of Examination Reforms:** Integrated Software is employed with up-gradation of the Examination Module from 2018-19 onwards. Due to this CoE office is able to publish the results within 45 days time. This enabled the institute to send Permanent Pass Register (PPR) to the Mahatma Gandhi University, Nalgonda, to prepare Provisional and Degree certificates in time.

IT integration helped the institute with the maintenance of records, especially for mark sheet verification and preservation of records. This facilitates the issue of duplicate mark sheets at the earliest. Based on the above reforms the overall efficiency of examination procedures and processes has increased in terms of accuracy and speed.

### Positive impact of IT integration

- \* Generation of Roll Numbers to the students.
- \* Fees Collection (Examination fee and College fee) which is fully automatized and through Qedufix.
- \* Generation of Examination form (including for backlogs, if any). Hall tickets, D-forms and Attendance Sheets. Codes and Decodes, Consolidated Marks Memos and Provisional Certificates. Result Analysis - Course-wise, Group-wise, and Subject-wise.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Programme Outcomes and Course Outcomes for all Programmes offered by Nagarjuna Government College (A) are stated and displayed on the website and communicated to teachers and students. The Programme outcomes (POs), Programme specific outcomes (PSOs) and Course outcomes (COs) accentuate the

expected attributes of the graduates in the present competitive and challenging world. They are achieved by the time the students complete the Programme. The Programme specific outcomes are designed in conformity with Programme outcomes. The Programmes include inter and intra discipline combinations. The discipline combinations attain the desired outcomes by the end of Programme completion.

POs emphasize on the development of inter-related knowledge, skills, personality traits, competence, attitude, research, ethics and values, enriched with environment and sustainability consciousness that is expected to be acquired by the students at the time of their graduation. Course outcomes (COs) provide the enduring disciplinary knowledge, ability of thorough learning that is expected upon completion of a course.

The concerned departments offering the Programme, frames the Programme outcomes (POs), Programme specific outcomes (PSOs) and Course outcomes (COs) after continuous discussion with all the faculty of the department.

#### 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The students graduating from the institution are expected to possess certain qualities, that are the attributes of designed Programme outcomes (POs), Programme specific outcomes (PSOs) and Course outcomes (COs).

Course outcomes provide a quantitative measurement for evaluating Programme outcomes. The Programme outcomes are achieved by mapping designed COs to the POs.

At the end of each Programme, the attainment of POs are calculated from the attainment of COs of all courses in a Programme. The attainment of COs in each Course of the

Programme is compared with a predefined target. Measures are taken to reach the targets. The performance of the students in the Internals, semester end exams are used to compute the level of attainment of the POs and PSOs thus, mapping COs to POs and PSOs.

All the courses which contribute to the PO are evaluated using 3 levels of Assessment- DA- Direct assessment (10 marks), IA- Indirect Assessment (20 marks), FA-Final Assessment (70 marks)

The Direct assessment is done by evaluating the Assignments and Seminars. The indirect assessment is done through evaluation of internal exams and final assessment by evaluating the semester end exams.

## RESEARCH, INNOVATIONS AND EXTENSION

### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

The college has a research committee under the chairmanship of the Principal to monitor and promote a culture of research. The committee consists of 3 Senior Faculty members who have considerably long research experience, who act as per the well-defined research policy of the college. The research policy also encourages students to take up research-based activities. The Research Committee also encourages all the departments to focus on effective utilization of Faculty Development Programs, Major and Minor Research Projects, Participation in International, National, State level academic conferences/workshops/symposia/seminars.

Government of Telangana has given added incentives to autonomous colleges to foster research and publications among the faculty. The salient features of this policy are:

- Seed money of up to Rs.1,00,000/- may be given for minor research projects.
- For paper presentation, in both National and International conferences, total registration and 50% of economy airfare will be allowed once in 3 years. Additionally for International conferences an allowance of \$100/- per day, for a maximum of 3 days, will be allowed.
- An amount of Rs.5000/- may be allowed to the faculty for publishing research papers in UGC approved or SCOPUS journals
- For publishing textbooks, reference books, with ISBN registration faculty may be paid upto Rs.30,000/-

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The college has started incubation center to encourage students and lecturers to think and discuss innovatively and creatively in all walks of life with practical approach. The Physical Sciences, Life sciences, Social sciences and Humanities faculty are members of this incubation center. These ideas are put forth in front of Faculty Forum to observe and discuss the possibilities. In 2018-19 a student of commerce innovatively prepared a shock proof circuit used for Pumpsets, coming up with this idea to the college incubation center.. This may help many farmers to arrange this in their agricultural fields and work in shock proof environment. He won many accolades from District officials and other NGOs. This idea is maturing and getting support of market. This idea was exhibited on many platforms and appreciated. In life sciences, the students have been in the practice of identification of local fauna and flora and checking their Taxonomic position of flora and fauna. The college also aims to develop more innovative practices and inculcation of such practices in the curriculum and co-curriculum to develop small scale start-ups from the academic

**7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).**

Nagarjuna Government College, (A) Nalgonda is open to students of various backgrounds. Every year, as the students are admitted into the college, we try to understand how diverse they are in terms of Urban / Rural divide, Languages spoken at home, Religions practiced, Social background : among the students. They practice different religions like Hindu, Muslim, and Christianity. A vast majority (85%) belong to the socially deprived sections (SC, ST, BC). Besides, these students also hail from Telugu, or Urdu medium in their primary and secondary education.

To address this diversity in our college and to ensure that each one of our student feels one with the family of NGC(A), Nalgonda a number of programs are organized. Freshers day, Annual sports day, cultural meets, and food festival brings an inclusive atmosphere where the entire college celebrates as one family. The co-curricular activities like NSS, NCC, encourage in the students a spirit of social harmony, and social responsibility. During National festivals and related events such as Independence day, Interaction day, Dussehra celebration, Bathukamma, Christmas, Teacher day, Sankranti Celebration, Republic Day, Farewell Day, Annual Day, etc. emphasize the importance of tolerance and harmony towards Cultural, regional, linguistic, communal, socio-economic and other diversities.

The institution diligently strives to sensitize and enlighten the students and the employees the relevance and the need to abide by all the Constitutional obligations as responsible and informed citizens. The institution has conducted a number of programmes including

UNO Day

International Youth Day

Constitutional Day

National Voters' Day

National Education Day

NSS Day

NCC day

International Women's day

Each activity organised by the institution is aimed at reminding students of their rights and responsibilities. Activities also address values they have to live up to. The students are instilled with principles that to live by for the rest of their lives.

The celebration of UNO Day enables the students to reaffirm the need and basic tenets of the UN Charter that has been guiding our nation and other nations for the past 76 years. It also provides information about the role of UNO in preserving international peace, harmony, and security. The International Youth Day is observed on January 12th to commemorate the birth anniversary of Swami Vivekananda. Constitutional Day is celebrated on 26th November, the college organizes awareness events to educate students about the importance of the Indian constitution. On January 25, National Voters' Day is observed.

## 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Nagarjuna Government College has well equipped science museums. They are Botany Museum, Zoology Museum and Geology Museum. The College has been maintaining them since the establishment of this college in 1956.

The Museums are free dedicated to educating the students and public through exhibits, collections, public lectures and other programs. We strive to provide a wide range of unique learning experiences that will enhance our students understanding of the natural world.

Geology is to be studied/learned in the field only. It is not possible for any student to acquaint with all the types of Earth Materials in the classroom( i.e. Minerals and Rocks). Hence it is inevitable to collect and preserve the earth materials so that to expose/interact the student with them. The Retreat of earth materials is christened as MUSEUM.

The Zoology museum is housed with majority of the specimens are the collections made by the staff and students of the Zoology Department. A number of imported specimens like: Euplectella, Hyalonema, Phakelia, Chaetopterus, Basket Starfish, Lepidosiren, Protopterus, Amia, Lepidosteus, Acipenser Polypterus, Siren, Amphiuma, Poison-Arrow Frog, Phrynosoma Crotalus, European Viper, Japanese Snakes, Opossum and Kangaroo are only a few in the long list of rare specimens.

These museums help students to understand and are primarily for popularization of life sciences and earth science with the advancement and modernization of overall system of education and development of visual orientation of studies. These museums have become very essential for these subjects in the teaching and learning processes.
