Stakeholders' Feedback: Collection, Analysis and Action Taken Report of 2019-20

<u>Collection of Feedback</u>

Feedback on curriculum has been collected on line at gdcputtur.edu.in for 2019-20. As per CCE prescribed and designed separately for students, teachers, parents, alumni. The college website is available to all the stakeholders 24/7 and 365 days. Analysis is made once a year.

In the month of February and March, 2020 the feedbacks were collected from the stakeholders through online and analyzed by IQAC. Major suggestions from stakeholders were forwarded to concerned Departments for Action.

During the Academic year 2019 – 20, feedback collected from 497 stakeholders, among them students 415, faculty27, parents 6 and alumni 5 oncurriculum. Due care was taken to collect feedback from Students studying in all programmes.

Student feedback Analysis:

Feedback Questionnaire for students is structured with six questions on curriculum. The questions are to be answered on 4 rating scale beginning Very good and end with Need to be improved, one question for overall opinion.

<u>Curriculum based Question:</u>

Q1. Correlation between title of the paper and contents of syllabus.

76 per cent of the students rated very good and 24 percent good. Overall opinion is highly positive.

Q2. Size of syllabus in terms of load on the student.

98 percent of students positively responded towards size of the syllabus.

Q3. Relevance of theory syllabus with practical / lab work.

58 percent expressed very good and 37 percent opined that good. Only 6 percent of students expressed as average on

relevance of theory with practices.

Q4. Connectivity with preceding year syllabus.

37 Percent responded highly positive to this question, 54 percent as good only 8 percent of students expressed their opinion as average.

Q5. Distribution of the teaching hours among course component.

58 Percent of students rated highly positive, 37 percent also responded positive and only 5 percent responded as average.

Q6. Overall opinion on the curriculum.

57 percent of the students overall opinion expressed as very good and 39 percent students rated good and only 3 percent average.

Suggestions:

➢ To be conducted more awareness programs
➢ To be conducted more certificate courses on soft skills

Feedback by Teachers (2019-20)

Q 1. Correlation between title of the paper and contents of syllabus.

    52 percent of the teachers strongly agreed and 48% agreed that title of the paper is in line with contents of syllabus.

Q 2. Size of syllabus in terms of load on the student.

    44 percent of the teachers strongly agreed and 48% of teachers expressed that syllabus load on the students is well within the acceptable limits and matched the needs of all levels of students.

Q 3. Relevance of theory syllabus with practical / lab work.

    44 percent of teachers strongly agreed and 48% of teachers agreed that theory syllabus matched with Lab work for science students. 12 % of teachers expressed that need to be improve.
