Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>The Timetable Committee headed by the Principal and a senior Faculty Member draws up a detailed timetable which efficiently deploys the units of time for academic and co-curricular purposes as for example, theory, practical, tutorial, ICT, life-skill ,value education and add-on classes thereby ensuring a balance between the different types of engagement a student is expected to participate in the departments strive for effective curriculum delivery through a combination of time-tested and innovative methods beginning with an entry-point assessment of the student's aptitude and expectations relating to the course; and proceeding according to a set of teaching plans based on an academic calendar detailed enough to cover the available timeframe, yet flexible enough to permit changes. The teaching plans consist of detailed apportionment of the syllabus among all the faculties of a particular department. The apportioning is done democratically through discussion and deliberations among faculties in departmental meetings. Faculty members take utmost care to complete the syllabus in time. Tutorials/projects, class tests and internal assessments comprise the formal evaluative processes, but students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Extra hours are devoted to taking remedial classes after completion of internal examinations to bolster students' preparedness before university examinations.</p> <p>Periodic meetings of IQAC take stock of the progress of teaching learning, among other things and meetings of the Department with Principal and parent-teacher meetings are other forums where progress of the delivery of curriculum are regularly monitored and necessary course corrections are initiated. Since the institution specializes in the Humanities and the Social Sciences and as the whole human society is the laboratory in which students can observe, analyse and gain insight into various intricate aspects of their syllabus.</p> <p>The college is well equipped with smart class rooms, virtual class rooms, audio-visual and other ICT facilities which are extensively used by teachers in day to day teaching to make delivery of the curriculum attractive to students. Interactive teaching is promoted through students' participation in group discussions, quizzes, and seminars. Special lectures delivered by eminent scholars on topics related to the curriculum further intensify students' learning experience</p>
