7.1.1 Measures initiated by the Institution for the promotion of gender equity and Institutional initiatives to celebrate / organize national and international commemorative days, events and festivals during the last five years.

Response:-

Gender equality is one of the key challenges facing society today. The institute conducts regular gender equity promotion programs. Guest speakers from prominent field are invited to speak on the given topic which highlights the importance and contribution of women in the society.

The gender equity promotion programs organized by the institution are given below:

This College has a strong ethical work culture that is based on inclusivity. It observes highest ethical standards in all its activities. Equal opportunities are provided to all individuals irrespective of gender, race, caste, color, creed, language, religion, political or other opinion, national or social origin, property, birth or other status. Its unique work culture, healthy traditions and ethos have led to enrolment of **68%** women students and **38%** women staff.

Safety, security and well-being, along with gender equity and friendly working atmosphere are the issues of prime concern to this college.

Annual gender sensitization action plan taken in this college is as

follows:

Name of the Programme	Date	No. of Participants
Talk show on successful women stories	8/03/2018	30

Exhibition On Women Higher Education	8/03/2022.	56
Women Safety Is Every One's Responsibility	3/04/2022	75

Gender sensitivity is an inherent value in the cultural ethos of the institute and its neighboring community, as is evident by the following facilities.

(a) Safety and Security

- Extensive surveillance network with 24x7 monitored control rooms with CC camera surveillance.
- Summer Patrols by students.
- Strict implementation of Anti-Ragging and Anti-Smoking.
- Awareness campaigns on women safety and gender sensitivity rallies and camps by NSS and other volunteers.
- The Institute is the preferred destination of parents for education of their female wards as evidenced by the Stakeholder Feedback.

(b) Counseling

- Formal and informal avenues for counseling male and female students and staff for academic and other issues/problems.
- Class and proctorial Committees are available for counseling of both males and females'
- Grievance Redressal Committees for staff and students
- Gender sensitization camps in bhupalapilly town that include the following aspects:

- Women's rights
- Human rights
- Child rights
- Gender justice
- Gender equality
- Gender sensitization workshops

- Campaigns against female feticide.
- Others – Entrance Exam Counseling, Matrimonial Counseling, Orientation for Students.
- Medical Counseling, Moral Counseling, Career Counseling, Vocation Counseling.

(c) Other Measures

- Curriculum and Coursework.
- Co-curricular activities.
- Enrolment of 68% women students and 38% women staff

This college has been successful in caring for its women students harmoniously in its efforts to steadily achieve its vision and mission. This is also evident from regular feedback from all its stakeholders.

Elocution on

Gender division of Labor is a central feature of gender inequality-2018-19.

An elocution competition was conducted to all the students of Government Degree College; Bhupalapally on Gender division of labor is a central feature of gender inequality. About 15 students were participated in this competition to share their views on Gender division of labor is a central feature of gender inequality. The summary of student's opinion is "Both men and women have multiple work role, these include production, re production essential house hold, community service, community management and political activities. The division of labor leads to Gender inequality in the society. It results from the social differentiation introduced by the men and women that attributed activities and roles according to the persons' sex."

Group discussion on Gender in politics-2019-20

A group discussion has been made on Gender in politics on **24/10/2019** to the students of III Year of Government Degree College, Bhupalapally. In this Group discussion students were divided into 4 groups, each group was given 15 minutes of time to discuss among them and one representative from each group come forward to opine his group ideas and outcomes of the group. Majority of the students expressed their opinion that, women are taking very less position in politics even though women's public representatives also not taking decision without consulting the male family members. This will end with the education of women. The society should encourage women higher education to take equal opportunities to women in politics in future.
