Field Trip Report on Pond Ecosystem

Name of the Location	Jangedu Pond Ecosystem
Type of Activity	Experiential Learning
Date	10-12-2019
Program	B.Z.C I sem
Number of Participants	22
Name of the Lecturer	Dr.P.Gowri
Organizing Department	Zoology
Report	<p>Field Trip to Jangedu Pond Ecosystem is organized by Zoology Department for B.Z.C. I semester students on 10-12-2019. The students observed biodiversity of pond at different zones and also plants growing along the margin of the pond. Students collected water samples and observed different types of phytoplankton and zooplankton under microscope after coming back to the lab. The pond ecosystem is one of the best example for students to understand biodiversity as different types of plants and aquatic organisms occupy different strata in the pond and live together by interacting with each other.</p>

Date: 10-12-19

Feed back of students on Field Trip to Pond Ecosystem

Questionnaire

1. Admission number of the student: _____
2. Did you attend a field trip to pond ecosystem ever before?
 1. Yes
 2. No
3. Is field trip a part of the curriculum?
 1. Yes
 2. No
4. What type of learning it is?
 1. Experiential learning
 2. Traditional learning
5. Did you enjoyed the field trip?
 1. Yes
 2. No
6. Did you experience any difficulty to attend the field trip?
 1. Yes
 2. No
7. Rate the field trip
 1. Average
 2. Good
 3. Excellent.

Feedback Summary:

Feed back is collected from students through questionnaire and it was analyzed that most of the students enjoyed the field trip and learnt many things like different zones and communities of ecosystem by interacting with each other.

Field Trip Report on Vijaya Dairy Farm, Warangal

Name of the Location	Vijaya Dairy Farm, Warangal
Type of Activity	Experiential Learning
Date	20-02-21
Program	B.Z.C I sem
Number of Participants	18
Name of the Lecturer	Dr.P.Gowri
Organizing Department	Zoology
Report	<p>Field visit to Vijaya dairy farm is organized by Zoology Department to give students the opportunity to get on the farm and put their book knowledge and learning into practice. Students were able to learn about the entire process of milk processing, pasteurization and preparation of dairy products like curd, butter, cheese etc., that are full of nutrition. Students were able to learn about the entire process from farm to store. Students also had the chance to interact with farmers, and witness how dairy farming impacts the local community and economy at large. It was a wonderful experience to the students.</p>

Field Trip to Dairy Farm

Date: 20-02-21

Feed back of students on Field Trip to Vijaya Dairy Farm

Questionnaire

1. Admission number of the student: _____
2. Do you have knowledge about milk processing earlier?
 1. Yes
 2. No
3. Do you use pasteurized milk?
 1. Yes
 2. No
4. Did you interacted with farmers in Dairy Farm?
 1. Yes
 2. No
5. Do you like dairy products?
 1. Yes
 2. No
6. Did you enjoyed the field trip?
 1. Yes
 2. No
7. Rate the field trip
 1. Average
 2. Good
 3. Excellent.

Feedback Summary:

Students feedback is collected and analyzed and it was found that most of the students gained knowledge practically regarding milk processing, preparation of dairy products and also enjoyed the fun in the field trip.

Report	<p>Field Trip to Poultry farm has been organized by the Department of Zoology on 10-12-21 for B.Z.C II semester and D.Z.C. II semester students of Government Degree College Bhupalpally. The location of poultry farm is in Gangaram village, 35 kms from college. It has the brooder house, grower house & layer houses. About 3000 layers are reared in cage system. Owner of the poultry farm accompanied us and explained about the various routine activities and management practices carried out in poultry farm. First he took us to the brooder house where one day old chicks are brought and reared, after 35 days in the brooder house they are then shifted to grower shed which is present next to it, for three months. Then they are shifted to layer houses. Students observed routine activities carried out in poultry farm like cleaning, watering, feeding, collecting eggs etc.,</p> <p style="text-align: center;">•</p>

Feed back of students on Field Trip to Poultry Farm

Questionnaire

1. Admission number of the student: _____
2. Did you saw poultry farm ever before?
 1. Yes
 2. No
3. Did you inter acted with Farm Owner?
 1. Yes
 2. No
4. What type of learning it is?
 1. Experiential learning
 2. Traditional learning
5. Did you observed different types of activities in poultry farm?
 1. Yes
 2. No
6. Did you enjoyed the field trip?
 1. Yes
 2. No
7. Rate the field trip
 1. Average
 2. Good
 3. Excellant
 - .

Feedback Summary:

Feed back is collected from students through questionnaire and it was analyzed that most of the students enjoyed the field trip and observed brooders, layers, broilers and activities carried out in poultry farm and management practices which is useful for future self employment

Name of the Location	Ramappa Temple
Type of Activity	Traditional learning
Date	15-03-2021
Programme	B.A
Number of Participants	42
Name of the Lecturer	Dr.D..Sandhya
Organizing Department	Economics
Report	Ramappa temple is recognized by UNESCO as a Heritage Site on 25 July 2021. Which is located at Paalampet village, Mulugu District. Our college staff members and I, II and III year students visited Ramappa temple. In the temple the architecture is enthralling and the monuments are amazing. The idols and the statue of Lord Shiva is realistic one. The temple was constructed in the year 1213 CE by Recherla Rudra. It is an overly Historical and Popular temple in Telangana.

Minutes of the fieldtrip:

Department of Physics organised field trip to students on 17-1-2022 As a part of this students are taken to "Kakatiya Thermal Power Plant". All the students were actively involved in the field trip. They observed working of important parts of the plant. This field trip enriched their subject knowledge. The trip is ended by 3 pm.

Sig .of. Incharge

Sig.of principal
PRINCIPAL
Govt. Degree College, Bhupalpally,
Dist: Jayashankar Bhupalpally-506169

Brief Report on the Field Trip :

The students of B Sc(Mpcs) 1st year students have been taken to Kakatiya Thermal Power Plant, which is situated near to Bhupalapally. This trip is arranged to know the power generation process from the coal directly. This plant generates 1100MW power every day.

After entering into the plant they gave some precautions and supplied caps for all students. There the staff first explained about basic layout and working of a thermal power plant to the students .

Principle involved in Thermal Power Plant:

Fuels such as heavy oil, LNG (liquefied natural gas) and coal are burned inside a boiler to generate steam at high temperature and high pressure.

This steam is used to rotate the impeller of the steam turbine. This drives the power generators connected to the turbine that generate electricity.

Students observed the main important working units of the plant and understand the principles and technology involved. They observed the working of following parts of the thermal power plant :

- Boiler
- Super heaters
- Turbines
- Condenser
- Cooling tower
- Ash storage unit
- Coal storage unit

For B.Sc students electric power generator and electro magnetic induction and electromagnetic waves topics are covered in the syllabus of 3rd semester

Staff explaining the lay out of The Plant to students:

Students and faculty at the power plant:

The students observing working of boiler in the plant:

Conclusion :

- Through this trip they understand working of power generator,
- Students get an exposure to the working of industries and its impact on the surroundings.
- Students understand the need of saving electric power

Dept. of Chemistry

2021-22.

Date: 25.02.2022

Field Trip to NIT, WARANGAL.

Our college has planned to go field trip for one day to NIT, WARANGAL. Our principal has arranged a RTC, Bus. around 100 members of students were

participated along with principal and faculty members with 02 attenders. We successfully completed this field trip with Joy. On the eve of SCIENCE DAY celebration NIT, principal, Prof-Dr. Lakshmi Reddy gave permission to attend the celebrations. for on 25-02-2022.

National Institute of Technology (NIT)
Warangal is a one of the public Technical
and Research University. It is recognized
as an Institute of India.

This institution is offers so many
Engineering courses like Civil, Chemical,
Computer science & Engineering, Electrical,
Electronics, Metallurgical, Mechanical B.Tech
Courses and also provide Animation and
design, Commerce, Arts & Humanities,
Computer applications, Engineering and
Architecture, MBA Courses also available.

On that day we started at 6:30
am from Bhupalpally College Campus and
we reached NIT, Warangal at 8:30 AM and
we finished break fast and attend the
P.N Sessions.

The P.N Session starts with a
Seminar on the excellency of Autobiography
of "HAR GOBIND KHORANA". He completed
his schooling under a tree in a village of
100 people. He is the only one Indian scientist
who cracked the "Genetic Code" in 1958
and continued his work by the content and
depth of DNA Structure and also Mutations
of Amino Acids and Coding Structure.
Very interesting

Specimens of Botany, Experiments of physical science and more experience about real life animals.. Later we move to Space Stations arranged in the Bus. The Branch of Isro Scientists are prepared a Artificial space to know the knowledge of Technology They prepared "Chandrayan" & "Mangalyan" Model and exhibited in the Bus. By this they radicalized the Scientific Temper in the younger minds.

Later we watch a short movie on great Female Doctors. who completed their journey in science field successfully in India early 100 yrs back.. We know that the Indian scientists are not famous in Name, but their contribution is to build path to wards

Feed back of students on Field Trip to NIT Warangal

Questionnaire

1. Admission number of the student: _____
2. Did you visited NIT ever before?
 1. Yes
 2. No
3. Do you like the campus?
 1. Yes
 2. No
4. Did you observed science exhibits?
 1. Yes
 2. No
5. What type of learning it is?
 1. Experiential learning
 2. Traditional learning
6. Did you enjoyed the field trip?
 1. Yes
 2. No
7. Rate the field trip
 1. Average
 2. Good
 3. Excellent.

Feedback Summary:

Feed back is collected from students through questionnaire and it was analyzed that most of the students enjoyed the field trip and learnt many things by interacting with each other and also with the faculty of NIT.

STUDENT FIELD TRIP

Field Trip to NIT, WARANGAL

National Institute of Technology, Warangal (NIT, Warangal) formerly known as Regional Engineering College (REC) was established in 1959.

The Institute is well known for its dedicated faculty, staff and the state-of-the-art infrastructure, conducive to a healthy academic environment.

Our college went to field trip to NIT Warangal for one day.

Our principal has arranged a R.T.C Bus around 100 members of students were participated along with principal and faculty members with 2 attendants.

On the eve of Science day celebrations NIT principal, Prof. Dr. Lakshma Reddy Garimella gave permission to attend the celebrations for one day i.e. 25-02-2022.

On that day we started at 6.30 AM from Bhupalpally, college campus and we reached NIT Warangal at 8.30 AM and we finished break fast and attend the FLD sessions.

The F/A Session starts with a seminar on the excellency of Autobiography of "HAR GOBIND KAPOOR". He completed his schooling under a tree in a village of 100 people. He is the only one Indian Scientist who cracked the "Genetic code" in 1958 and continued his work by the content and depth of DNA structure and also mutations in DNA, Amino Acids and coding structure. All these things were explained very interesting by prof Dr. Ch. Mohan Rao Ganu.

Later on at 10:30 AM A Magic Show with magicians was conducted. They explained the hidden science in Magic show.

After Tea break A Seminar on "CREATIVITY AND INNOVATION" is given by a great personality prof. L. ANJANEYULU Gnan. He explained about the creative ideas and implementation of new discoveries with the help of science and Technology.

In the Afternoon we had lunch at MIT warrangal canteen. We move to the exhibition of science which exposed the branches of science. a beautiful presentations of school children with the help of exhibits.

Later we move to Space Station arranged in the Bus. The branch of ISRO scientists are prepared a Artificial Space to know the knowledge of Technology. They prepare "chandrayan" & "Mangalyan" models and exhibited in the Bus.

Later we watch a Short movie on Great Female doctors. who completed their journey in science field successfully in India nearly 100 years back. These Indian Scientists are not famous in name but their strong contribution to built path towards science.

Finally we visited Department of Mathematics Dr. Benarji Babu A.

Associate professor in Mathematics give valuable suggestions and Employment opportunities with the Mathematics subject and also give suggestion to get good rank in IIT JAM exams.

At last we finished our field trip to NIT Warangal by 6'o clock. Our students are very happy & joy.

Interaction WITH Prof. Dr. Benarji Babu A.

"FIELD TRIP CONDUCTED TO VISIT DCC BANK-BHUPALAPALLY BRANCH"

A field trip conducted on **23/11/2017** to visit **District Cooperative Central Bank, Bhupalapally Branch** to aware the students about bank transaction taken place in banks regularly. In this contest we arranged to discuss with the Bank Manager, **District Cooperative Central Bank, Bhupalapally Branch**, he has explained the history of the bank and all the transactions taken place daily in the bank i.e. opening of an account, depositing money in the account, withdrawal of money and transfer money from one account to another. Finally, the students were taken to the ATM and offer them to make transactions through credit card all the students are aware of withdrawal of money from ATM, know bank balance and take a mini statement of last few transactions from the ATM.

The students very eagerly participated in the field trip and enthusiastically listened to the Manager, **District Cooperative Central Bank, Bhupalapally Branch**. And they are happy to aware of ATM transactions also.

FIELD TRIP

Department : English

Place visited : Local Library

Date : 18.09.2018

No. of students participated : 11

Theme of the Trip : To encourage and promote the process reading news papers, books, and magazines. Most importantly, libraries are a great platform for making progress. When the student get homework in class, libraries help us with the reference material. This, in turn, progresses our learning capabilities and knowledge. It is also helpful overall development.
