The college started the academic session of UG programme on July 2021 and celebrated the fresher's day on August 2021.

Under the pretext of welcoming new students to the college, ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets to satiate their own pleasures. The students of SCNM Govt. Degree College are here by warned that they shall not indulge in RAGGING. If they found guilty of ragging they are liable for the above motioned punishment.

The junior students are also here by instructed that they should not respond to the calls from seniors, should not participate in any kind of party anywhere inside/outside the campus, even if order by the seniors and that, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

Our college campus is ragging free; still all these measures have been taken to ensure that the fresher's are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors in the name of an obsolete, barbaric ritual. All of this was possible only because of the whole hearted support from the students and teachers.
