II. BEST PRACTICE

1. Title:

“Student Participation/Involvement in Social Activities through NCC/NSS”

2. The context that required the initiation of the practice (100 – 120 words):

The curricular activities on the campus need to be supplemented by co-curricular and extra-curricular activities in order to achieve the aims and objectives of the educational plan. Attendance of students in the curricular activities is mandated by minimum attendance requirements. The participation and involvement of the students in Social Activities is generally neglected in educational contexts. In this context, it is felt that students should be involved in various social activities conducted mainly by the NCC and NSS units of the college. This will still social skills in students and better prepare them for their future life outside the campus.

3. Objectives of the practice (50 – 60 words):

- To teach the student the dignity of labour
- To create in them an interest in constructive work and community participation
- To set an example of selfless service and team work.
- To make the students to utilize the available unused time, energy and other resources to the maximum possible extent
- To make them understand the community in which they work.
- To make them understand themselves in relation to their community.
