Dear Sir/Madam,

I am happy to inform you that, as part of Infosys BPM- CSR initiatives under the aegis of Project Genesis, they are planning to do an online skill development program for students from final year degree students (2022 passouts) (Arts, Commerce, Science, Management). This is predominantly on soft skills, include written and verbal communication, email etiquette, interviewing skills, aptitude paper, analytical skills, presentation skills etc. This is a 48-hour program, 4 hours on a daily basis for 12 days.

In this regard, I request you to send 10 students' (TASK Registered) details for 12 days training program in here attached format. The training program will start from Wednesday, June 21st, 2021.

To ensure that they are able to conduct a successful program for the benefit of the students, the following conditions should be made. Since this is an online training, the batch should contain only 50 students. 60% female students and 40% male students.

1. Students details to be shared in the attached template
2. TPO/TASK Coordinator will be responsible for the attendance of the students on all days. The students need to be available online by 15 minutes before the class for the roll call.
3. Students with 95% and above attendance only will be given participatory certificates. The certificates will be sent once things are back to normal.

Selection Criteria

1. Students are from rural districts.
2. 2022 graduates with 60% throughout the academics and no backlogs.

I request you to send students' details on or before 14th June 2021 by 1.00 PM in here attached format.

Note: 100 % attendance is mandatory.

Thanks & Regards
