Respected Principals of the Government Degree College.

The Telecommunications Consultants India Limited (TCIL) is a Government of India under the Department of Telecommunications (DoT). TCIL undertakes consultancy and turnkey projects for setting up of network infrastructure in the field of Telecom and IT using its vast expertise of design and development of solutions involving Telecom, IT, Networking, Software Applications Systems and Technologies. Presently, TCIL is operating in more than 60 countries all over the world.

The lack of adequate information and communication technology (ICT) infrastructures in the colleges has always been a major roadblock in imparting quality education for the students located in different regions/districts. The quality education can be imparted through Digital-Education mode of education for students as well as for teachers by expert teachers located in urban areas in today's competitive environment.

The Virtual classroom will bridge the gap between learning requirements and delivery. It will support self paced learning, independent of geographic location. It will also reduce the expense for travel and training facilities. TCIL is supplying the Virtual Class Room Solution.

This TCIL Virtual Classroom solutions include:

1. Face to face discussions
2. Forums and Online communication
3. E-Learning
4. Live classroom observation
5. Online teaching methodology
6. Use of teaching aids

It is also submitted that, the cost (Unit Price) submitted by TCIL for Virtual Classroom is as below:

Description	Cost in Rs.
Cost of one (1) set of Virtual Classroom Solution (A)	4,98,750
