Telugu Result Analysis

STRENGTHS AND WEAKNESS

- **STRENGTHS:** The Department caters to the Needs of the students by taking all possible care both academically and morally besides attending their personal problems with utmost care and always strives to find out solutions through students counseling system which helps to take utmost academic and personal care.
- The department leaves no stone unturned to offer quality education to the students and spare no opportunity to go waste within its purview.
- **WEAKNESSES:** Since most of the students hail from the neighboring villages they find it difficult to stay after the college hours
