## Bathukamma celebrations

### Report

Date:05-10-2021

Bathukamma festival is a symbol of Telangana's cultural identity. Government Degree College Shadnagar celebrates Bathukamma festival on October by women empowerment cell. The women's staff and girls students decorate Bathukamma with flowers. Bathukamma is a colorful and vibrant festival of Telangana and celebrated by women, with flowers that grow exclusively in each region. Around 80 students were participated in Bathukamma. Lay two pieces of thread on the plate perpendicular to one another and passing over the centre of the plate. These threads should be long enough, so that after arranging the entire Bathukamma in a conical pattern, these threads are drawn upwards and tied at the top to hold the Bathukamma intact. This festival is celebrated with joy and gaiety. During these celebrations, there are dance performances, music, dramas and a variety of entertainments as thousands of tourists and locals too, flock to witness the happenings. 'Jataras' are also held during these month-long celebrations.

Bathukamma meant "festival of life" and was celebrated to thank Goddess Parvati for her blessings for the crop harvest and income she helped generate this year and again ask her blessing for the next year.
