INTRODUCTION OF DEPARTMENT OF ENGLISH

The Language of English has assumed Trans cultural and trans national importance in today's world in the backdrop of globalization for all kinds of communication and business transaction. It is with this view in mind the Department of English strives to impart the best possible ways of communication skills to the students to enable them to be self reliant.

The Department of English started functioning from 2008, Government Degree College, Thorrur, imparting general English for Degree courses with B.A,B.COM, and B.SC T/M and E/M].More than 90% of the students are first generation learners (SC,s).They come from a very poor , social and economical back drop. It is really a challenging job to teach them English since they lack exposure to the to the English language right from the school days. Their performance in English is not encouraging so far, but we are trying our best, even though it's a long way to swim over the rough tides.
