A Brief Overview of the College

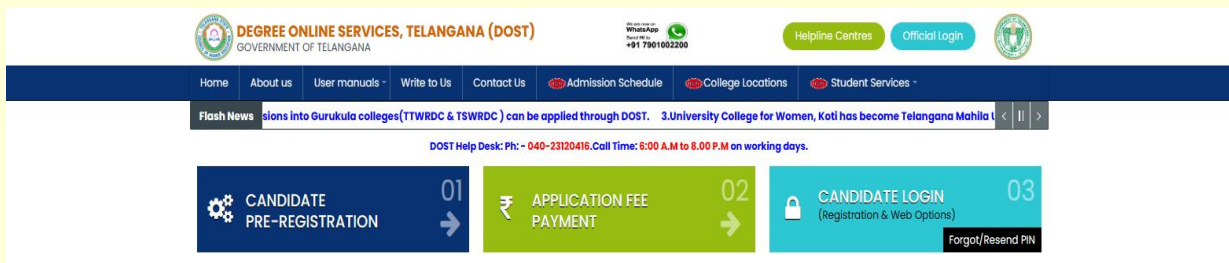

- ❖ Mrs. Tara Swaroop donated Rs.2 lakhs as corpus Fund.
- ❖ Affiliated to Osmania University.
- ❖ Autonomous college since the academic year 2016-17.
- ❖ Chairperson of the **Governing Body** is the **Commissioner of Collegiate Education**, Telangana State.
- ❖ Recognized under section 2(f) and 12(B) of UGC Act 1956.
- ❖ Choice Based Credit System (CBCS) was introduced in the academic year 2016-17.

NAAC Accreditation

- ❖ The college was accredited by NAAC with 'B+' Grade in 2006 with Score 75.60 (1st Cycle)
- ❖ The college was accredited by NAAC with 'B' Grade in Score 2.75 (2nd Cycle)
- ❖ Transition autonomous colleges from 2018 by NAAC.
- ❖ The College has 22 acres of land with built-up area 11225sq.m

Admissions

- Admissions are felicitated through online portal Degree Online Services Telangana (DOST).- <https://dost.cgg.gov.in/>
- Transparent, Time efficient, user-friendly and hassle-free.
- As per the reservation policy of Telangana State Government.

A two-week trip to Scotland awaits these 15 meritorious girls from TS

RENUKA KALPANA @ Hyderabad

NOT too long ago, travelling outside the State seemed like a far-fetched dream for V Kavya, who is the daughter of a daily wage worker, but she will soon travel to the United Kingdom on the State government's penny. She — along with 14 other girls studying in the Telangana Social Welfare Residential Educational Institutions Society (TSWREIS), Telangana Tribal Welfare Residential Educational Society (TTWREIS) and government degree colleges in the State — will be travelling to the University of Glasgow in the United Kingdom (UK) on a State government scholarship for a two-week residential certificate course.

The British Council and Telangana government announced a residential short-term certificate course in the UK for 15 meritorious students from the State under the Scholarship for Outstanding Undergraduate Talent (SCOUT) programme on Saturday.

The programme will be funded by the GREAT campaign of the British Council, which will cover the course fees, accommodation and other expenses for the students while in the UK. The government is funding the travel and visa costs for all students and faculty.

As a part of this initiative, 15 undergraduate-level students along with two faculty members from Telangana will be hosted at the University of Glasgow, Scotland, in March and April for a two-week short-term certified course on 'How to be More Rational: Critical Thinking, Logic and Reason-

Janaka Pushpanathan, director of south India region, British Council, takes a selfie with the selected candidates; (below) Donna Gell, senior international officer at the University of Glasgow, interacts with the students on Saturday | VINAY MADAPU

ing'. The course will help in developing the academic and research skills of the students. The activity will also enable students to impact their own local community, institutions and future workplaces through their learning.

Addressing the media, Navin Mittal, Commissioner of Collegiate, Technical & Intermediate Education said even though the scholarship was open to all students, it was a coincidence that all selected applicants were girls. "These students have secured more than 9 CGPA in their first-year semester exam and are extremely talented among all the college students,"

he added.

Mittal added that the programme will continue from now and 10-15 students will be selected each year. A British Council panel will have the liberty to choose a new university each year.

"The State of Telangana and the UK together have been working on various initiatives in education. The British Council is delighted to work with the State government towards accelerating the creation of mutually beneficial programmes which in turn helps in achieving the State's knowledge goals. With this collaboration, our aim is to provide a platform to students to gain global exposure and a networking opportunity while enhancing their skills and knowledge in a globally renowned university," said Janaka Pushpanathan, director of south India region, British Council.

The course fees, accommodation and expenses in the UK will be paid by the British Council while TS govt will cover travel

Assessment of learning levels of students

Continuous Internal Evaluation

Pattern of Assessment

Integration of IT and Reforms in the Examination Procedures and Processes

- ❖ **College Management System (CMS)**
- ❖ **Online Examination Application Forms**
- ❖ **CMS platform is dynamic and instantly creates all relevant data such as Fee, D-Form, Hall tickets and other data**
- ❖ **Barcoding of Answer booklets is done to ensure confidentiality**
- ❖ **From 2021-22 A.Y., OSDES (Online Screening and Digital Evaluation System) is followed.**
- ❖ **Scribe policy and confidentiality policy**

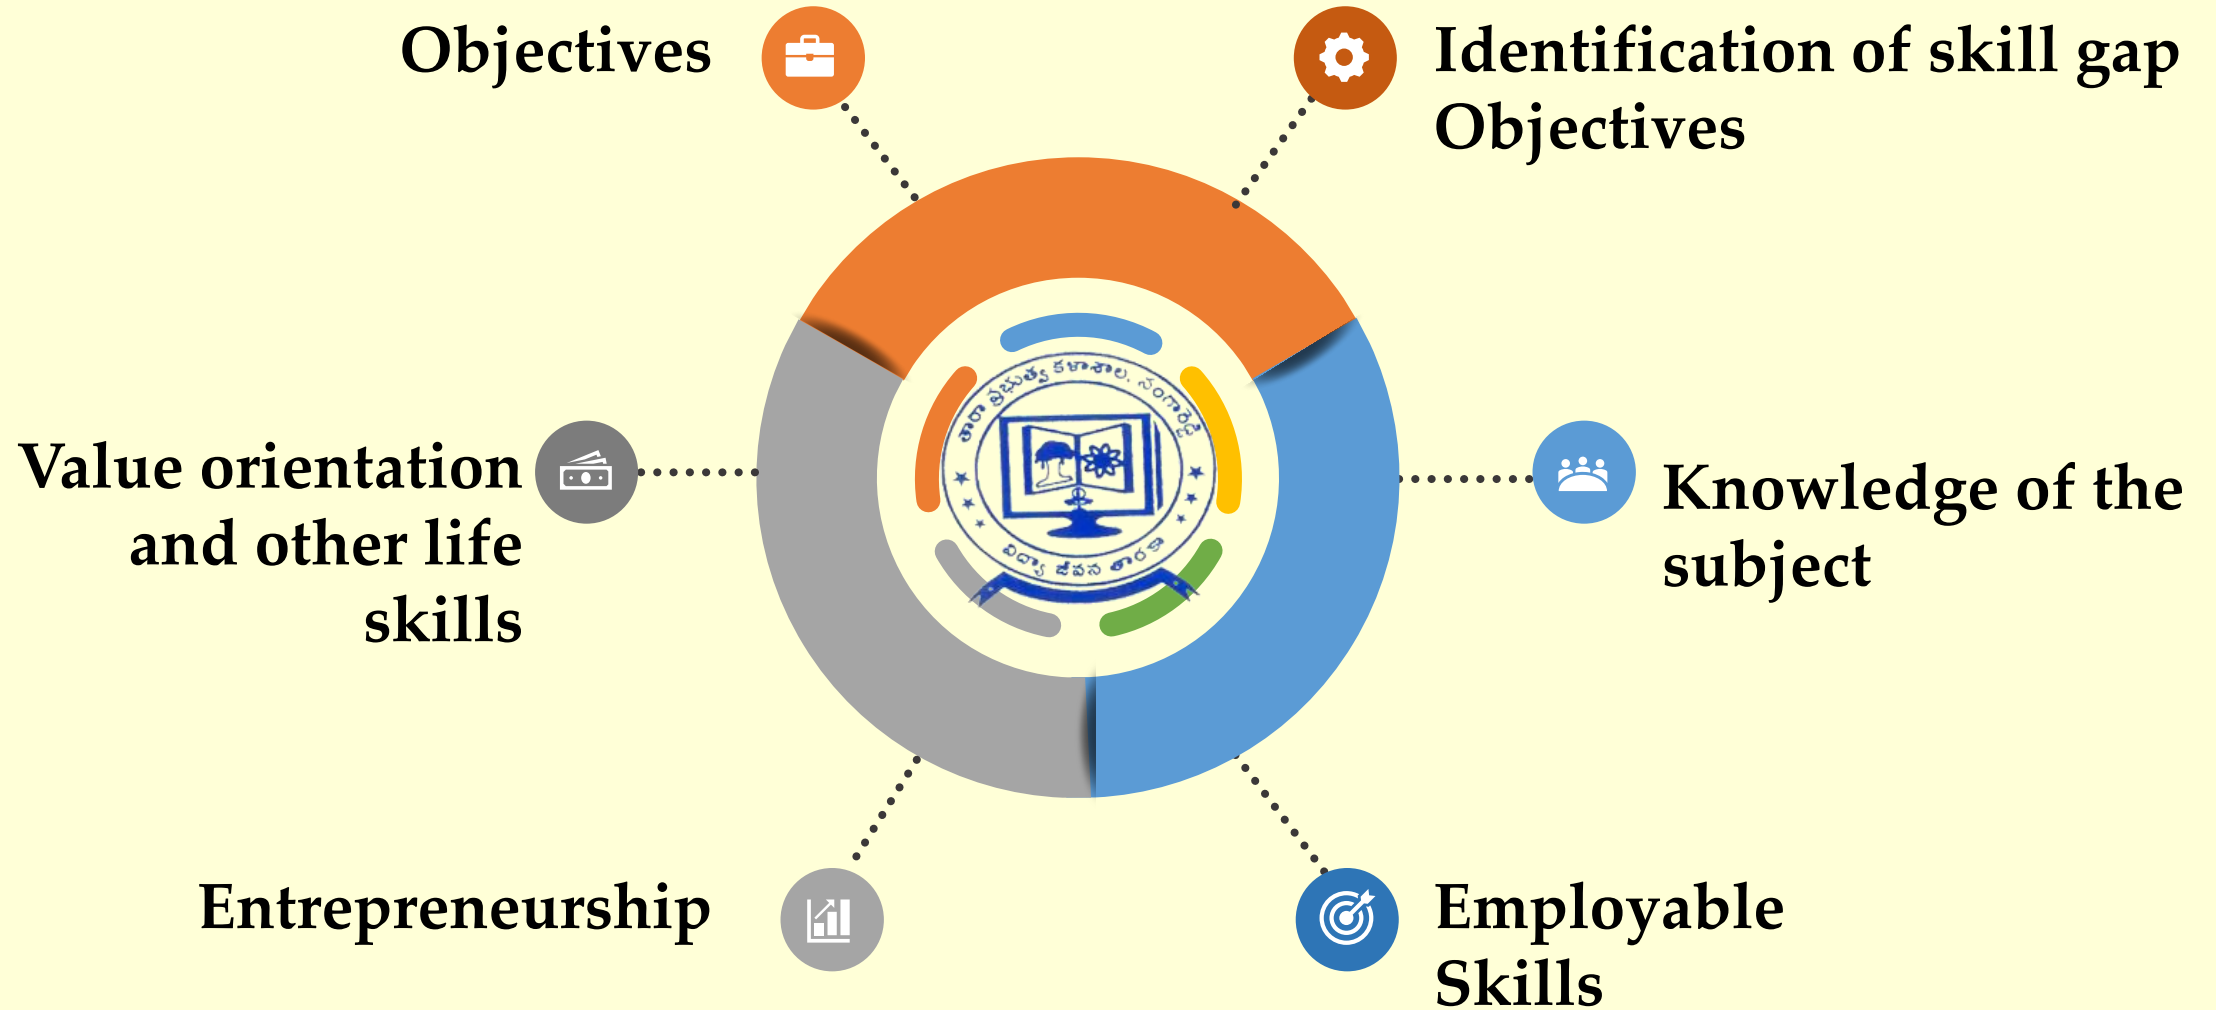

Redress of examination related grievances

- ❖ **Internal Assessment is done by the faculty**
- ❖ **Any grievance related to it are solved at teacher level**
- ❖ **External assessment related grievances**
- ❖ **Students can apply for re-valuation and/or re-counting**

Programme and Course Outcomes

- ❖ **Outcome based education policy**
- ❖ **POs and COs are prepared based on UGC document on Learning Outcomes-based Curriculum Framework (LOCF)**
- ❖ **POs and COs were uploaded onto website.**

Memorandum of Understanding (MoU) between
MART Specialities Lab LLP, Hyderabad

&
Department of Chemistry, TARA Govt. College, Sangareddy
(Autonomous)

MART Specialities Lab LLP, Hyderabad and Department of Chemistry, TARA Govt. College,

Sangareddy(A) agree on the importance and the usefulness of establishing scientific and academic links, in order to assert and to consolidate the ties of friendship between two institutions. The subject to mutual consent, the area of cooperation will include the following aspects;

1. Design and developments of Student research projects
2. Participation in Research and academic meetings.
3. Student Training Programmes.
4. Joint Research activities and publications.
5. Providing Analytical services to the research projects.
6. Support in Patent Filing procedures.
7. Quality enhancement initiatives.

TERMS OF IMPLEMENTATION:

1. Details of the implementation of any particular exchange resulting from this MoU shall be negotiated between the two organizations.
2. This MoU becomes effective on the day it is signed and remains valid for THREE years.
3. This MoU will be renewed after THREE years upon the consent of both organizations.
4. Any amendment or modification to the present text shall be submitted for review to the competent authorities, and shall not binding unless reduced to writing and signed by both the organizations.
5. This MoU does not bind either of the two parties legally or financially. Its aim is to promote relations that will mutually benefit each organization, this being the primary aim of academic collaboration.

In witness whereof, the organizations hereto have offered their signatures.

Collaboration with Indian Institute of Science (I.I.Sc.)

Bangalore.

The faculty members of the college are collaborating with the country's premier research institutions for the usage of laboratories/computing facilities for their own research projects.

One of the faculty members of our college, V Satya Prakash, Asst Prof of Physics, has collaborated with India's premier research institution IISc, which is **India's No 1** as per **NIRF 2022** rankings. This collaboration is reached in the year 2019-20 to do his research work on **conductivity of electrolyte materials**. As a part of this collaboration, he accessed **Sahasra T Cray XC 40**, country's **first Peta Flops Super Computer**, at Super Computing Education and Research Centre(SERC), **Indian Institute of Science (IISc)**, Bangalore. This super computer used by him is the fourth **fastest super computer in India** and it ranks **327th** position in the **world (2019)**.

IIT Bombay

LETTER OF ASSOCIATION

Ref.No. STIITB/2022/060

Date - 21/09/2022

To,
The Principal,
Tara Government College (Autonomous), Sangareddy,
Prashanth Nagar Colony, Sangareddy Dist. Telangana - 502001.

Your association is highly appreciable. We are happy to announce the continue ASSOCIATION of Knowledge Partner Spoken Tutorial Program, IIT Bombay with **Tara Government College (Autonomous), Sangareddy**. Your College is officially partnered as an **Academic Partner of IIT Bombay Spoken Tutorial (Academic year February 2022-23)**. We appreciate the efforts that College took and trained 494 students in the last semester.

The Program is a part of the National Mission on Education through ICT, MoE, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'.

Looking forward to see the same successful working relationship and keen to see **Tara Government College (Autonomous), Sangareddy**, as a model in the matter of introducing the ICT MOOCs, FOSS based training in **Telangana** via ST IIT Bombay.

For and On behalf of
Spoken Tutorials,
Indian Institute of Technology, Bombay

Akanksha Saini

Mrs. Akanksha Saini
National Coordinator
Spoken Tutorial Project, IIT Bombay

CERTIFICATE OF COLLABORATION

between
Department of Chemistry, Girraaj Govt. College(A), Nizamabad
&
Department of Chemistry, TARA Govt. College, Sangareddy(A)

Department of Chemistry, Girraaj Govt. College(A), Nizamabad and Department of Chemistry, TARA Govt. College, Sangareddy(A) agree on engaging in collaboration for rendering Research and Academic quality enhancement for the mutual progression of both the institutions. The subject to mutual consent, the area of cooperation will include the following aspects:

1. Participation in seminars, workshops and academic meetings.
2. Extension Lectures and Training.
3. Joint Research activities and publications.
4. Designing and development of teaching and learning modules.
5. Certificate programs and projects for skill development.
6. Quality enhancement initiatives.

TERMS OF IMPLEMENTATION:

1. Details of the implementation of any particular exchange resulting from this Collaboration shall be negotiated between the two organizations.
2. This Collaboration becomes effective on the day it is signed and remains valid for three years.
3. This Collaboration will be renewed after three years upon the consent of both organizations.
4. Any amendment or modification to the present text shall be submitted for review to the competent authorities, and shall not binding unless reduced to writing and signed by both the organizations.
5. This Collaboration does not bind either of the two parties legally or financially. Its aim is to promote relations that will mutually benefit each organization, this being the primary aim of academic collaboration.

In witness whereof, the organizations hereto have offered their signatures.

CERTIFICATE OF APPRECIATION
29 March 2021

This is to certify that the volunteers of NSS unit II of TARA Government College Sangareddy (A), Sangareddy district, Telangana, have participated in the winter special camp at the village under the monitoring of the Programme Officer (PO) Dr. G. Jagadishwar of the college. The camp lasted for **7 days from 18 March 2021 to 24 March 2021.** The volunteers motivated **300 villagers regarding the central government schemes.** Among the 300 members, 60 were beneficiaries.

1. **Headman Mantri Jan Dhan Yojana (05)**
2. **Headman Mantri Jeevan Bhooma Yojana (25)**

The NSS volunteers had also steered the villagers in opting for **Ujjwala Yojana** and saw to it that they got Gas connection for the **200 families (16 families).** The undersigned is elated to appreciate the NSS volunteers and the Programme for their proactive and goal-oriented approach in their selfless service. Their service-oriented attitude and infectious enthusiasm are worth emulating. We wish them best in their endeavour.

Best Practice-Higher Order Thinking Skills

1

Knowledge transfer from teachers to students through learner -centered activities inside and outside classroom

2

To instill the essence of design thinking, critical thinking and creative learning

3

Analysing, evaluating and creating are considered as higher order thinking skills according to Blooms taxonomy

4

Performing Texts, Soil testing and Water Testing, Bio fertilizer generation, Painting exhibitions, NIC camps and social service

5

There was a huge response and they have turned their texts into dramatic monologue, hot seat, dramas, poetry, a cappella, soliloquy etc. These are part of a few ELF strategies. Three of our teachers are trained in these ELF strategies.

Best Practice-Higher Order Thinking Skills

1

Department of chemistry took one piece of curriculum water as one of their components and conducted a certificate course on water analysis and tested water and transferred the knowledge to the society.

2

CATALYST- Department of Chemistry- The word CATALYST stands for Centre for Advanced Teaching and Learning Yields by the students of Tara. In this, students actively take part in academic contribution in the form of Designing and developing teaching aids

3

AVISCAR- Department of Chemistry: The word AVISCAR stands for Augmented Visionary for Integrated Students Centric Activities in research. Low cost no-cost research proto types are developed by students

4

TARA talks- Department of English; This is modeled on TED Talks. Department of English encouraged students to use their creative spoken skills on any given topic

5

Performing texts - Department of English

Best Practice-Higher Order Thinking Skills

1

In 2019- Department of Chemistry- G. Sirisha
In 2020- Department of Botany- Shameem

2

Students won state level Jignasa Student Study projects competitions – Departments of History, Economics, Chemistry, Political Science and Computer Science

3

State level Essay Writing, Perception and expression, International Painting competition- K.Srividya, J.Nitisha and G.Soumya

4

PMRF scholars of IIT Hyderabad visited the college and gave extension lectures on the topics designed by various departments of the college

5

Prof Srinivas of Telugu university brought the realia into the classroom of history UG students. He explained paleontological evidences of early existence of human beings in the Manjeera valley Civilisation with the help of evidences that he brought with him. He encouraged them to do a project on Manjeera River Valley Civilisation of Medak District

Best Practice-Higher Order Thinking Skills

- Students of History involved in coin exhibition.
- Department of Zoology organised a programme called Know your animal kingdom. The department also conducted a certificate course in vermi -compost. Students learned the skill of preparing the bio-compost. The students also learned the value of recycling.
- As part of their design thinking project, our students participated in Telangana State Innovation Cell (TSIC) in association with Youth for Social Impact Programme (YSIP). From our college 138 students in 48 groups joined the programmes and 8 teams completed the assessment course. Two teams submitted their designs, challenges and proposals. Finally, one team got selected for the I round. Our teams worked on sustainable transport and its implementation.
- Our students of Mathematics used problem solving method in peer learning. Eleven students were selected at national level Internship programmes.
- All language departments conduct poetry writing, recitation to elicit and encourage expressive skills among students. On the world poetry day, competitions are conducted.
- Congregation of poetry “Kavi Sammelanam” has been conducted by department of Telugu.
- Eco-club encourages students to take part in nature friendly activities such as Mitti Ganesh preparation and distribution of clay idols before Ganesh Chaturthi. They self – learn the skill and teach others.
- Department of Botany encourages students to prepare seed balls and distribute seed balls.
- Department of Botany encourages students to prepare Azolla cultivation.
- Students of history conduct History Exhibition and explain the importance of exhibits to other students.
- Students designated by the department of Botany learned the skill of paper quilling. They themselves taught other students as part of peer learning.
- Department of Commerce encouraged students to read news on commerce related developments. In this way, they developed expressive skills and latest know-hows of subject.
- Department of Political Science encourages students to enact the roles of Gandhi and make them face questions from their peers in Hot seat. They named it ‘Institutionalisation of democratic constitution’.

Best Practice-2 Outreach activities

Eight elements of wellness

Community outreach activities are based on

Green curriculum

- 1.Plantation
- 2.Protection
- 3.production and organizing produce fest

Social curriculum

- 1.Awareness program on social taboos and prejudices like no tobacco, anti-AIDS etc
- 2.Sensitization
- 3.Psycho social counselling
- 4.Vaccination and immunization
- 5.Financial literacy and women empowerment
- 6.Voter literacy
- 7.Adopting villages
- 8.Yoga and spiritual health

Evidence of Success

- Five students led by Mr Rakesh painted a village water tanks and government buildings
- During COVID-19, The college served as a centre for the COVID-19 vaccination drive.
- Department of Chemistry as designed a short-term certificate course in analytical techniques in Chemistry through MOOCS.
- Department of Hindi had developed material for Hindi students in its blog. It has more than 14 thousand views.

Evidence of Success

- e-content was developed by all staff and shared among students during COVID-19.
- Staff pledged to donate blood whenever needed.
- Blood donation camps were conducted.
- The NSS volunteers adopted 3 villages
- Student Ch. Neha was recognized with an award by true teachers' coalition for her contribution in the form of outreach activities
- Dr. G. Jagadishwar was awarded Mahatma Gandhi Peace Prize by Telangana Citizen's council for the outreach activities
- He was also awarded Wisdom national award for services
- Sapling plantation was initiated in the town
- Students distributed food, masks and other material during COVID -19 vacation period

Academic Support
