

GOPAL RAO PATEL GOVERNMENT DEGREE COLLEGE, BHAINSA

Future Plan of the Institution

1. the first and foremost objective of the institution is to increase the number of admissions into degree first year. Our target is to get at least 400 new admissions in the next academic year
2. to continue with the mid-day meal programme and procuring required funds for the programme through government and non-government organizations.
3. The HEI is aiming at conducting a national seminar in the institution in the next academic year.
4. The institution is making efforts to get an NCC unit for the benefit of the students.
5. To accommodate all the students, the present college building is insufficient. A new building block for class rooms is being planned if RUSA funds are granted to the college.
6. Introducing more certificate courses is the priority of the institution.
