<b>Report</b>	<p>Field Trip to Poultry farm has been organized by the Department of Zoology on 10-12-21 for B.Z.C II semester and D.Z.C. II semester students of Government Degree College Bhupalpally. The location of poultry farm is in Gangaram village, 35 kms from college. It has the brooder house, grower house &amp; layer houses. About 3000 layers are reared in cage system. Owner of the poultry farm accompanied us and explained about the various routine activities and management practices carried out in poultry farm. First he took us to the brooder house where one day old chicks are brought and reared, after 35 days in the brooder house they are then shifted to grower shed which is present next to it, for three months. Then they are shifted to layer houses. Students observed routine activities carried out in poultry farm like cleaning, watering, feeding, collecting eggs etc.,</p> <p style="text-align: center;">•</p>
