

Innovative practice

chemistry uses in daily life

for Academic year 2021-2022

Department of chemistry conducting a meeting

on chemistry uses in daily life on 29.10.2022.

chemistry plays an important and useful role towards the development and growth of a number of industries. This includes industries like glass, cement, paper, textile, leather, dye etc. we also see huge applications of chemistry in industries like paints, pigments, petroleum, sugar, plastics, pharmaceuticals.
