*World Creativity and Innovation Day Celebrations-21 April,2022*

Report

Greetings from Government Degree College,Alair

Every year 21 April is celebrated the World Creativity and Innovation Day. It is observed on 21 April to encourage people to generate new ideas to make the world a better place to live in. EDC and TSKC of our college jointly organized the event as per the instructions given by CCE. The event has started with a Welcome Address by Mr. B.Venkatesham .Coordinator EDC. Our College Principal Dr. Ch Satynarayana has enlightened the students about Innovations and their importance in the present day society. Vice Principal Dr K.Jayapaul has given a bird's eye view on T-Hub and its significance. B.Venkatesham ,EDC coordinator told students about TSIC and other organizations that help in encouraging the new creativity of all ages. Other staff also motivated the students with their speeches . The committee, in connection with the event , has conducted an essay writing competition for the students on "New Problems Require New Solutions-Need of Innovations". Finally Vote of thanks was delivered by Mrs.I.V.Revathi, TSKC Coordinator. Thus the event inspires and enables the students to live a more creative life as creativity and innovation in different aspects play a vital role of human development.
