

## Field Trip

Date: 23-11-2021

The Department of ~~the~~ English of this college conducted a field trip to N.T.R. colony of Marichal on 23-11-2021 with some of the students of all years. The purpose of this field trip is to educate the people about the essential English required for the financial transactions at ATM and in Banks.

The students collected Deposit and withdrawal forms from the nearby State Bank of India and collected the images of ATM transactions.

The students explained about the essential English by showcasing the images and forms.

After the explanation the students made them to practice filling in the withdrawal and Deposit forms. With the help of the students, they were able to complete it.
