

Girraj Government College (A), Nizamabad

Department of Chemistry

Student Field Trip

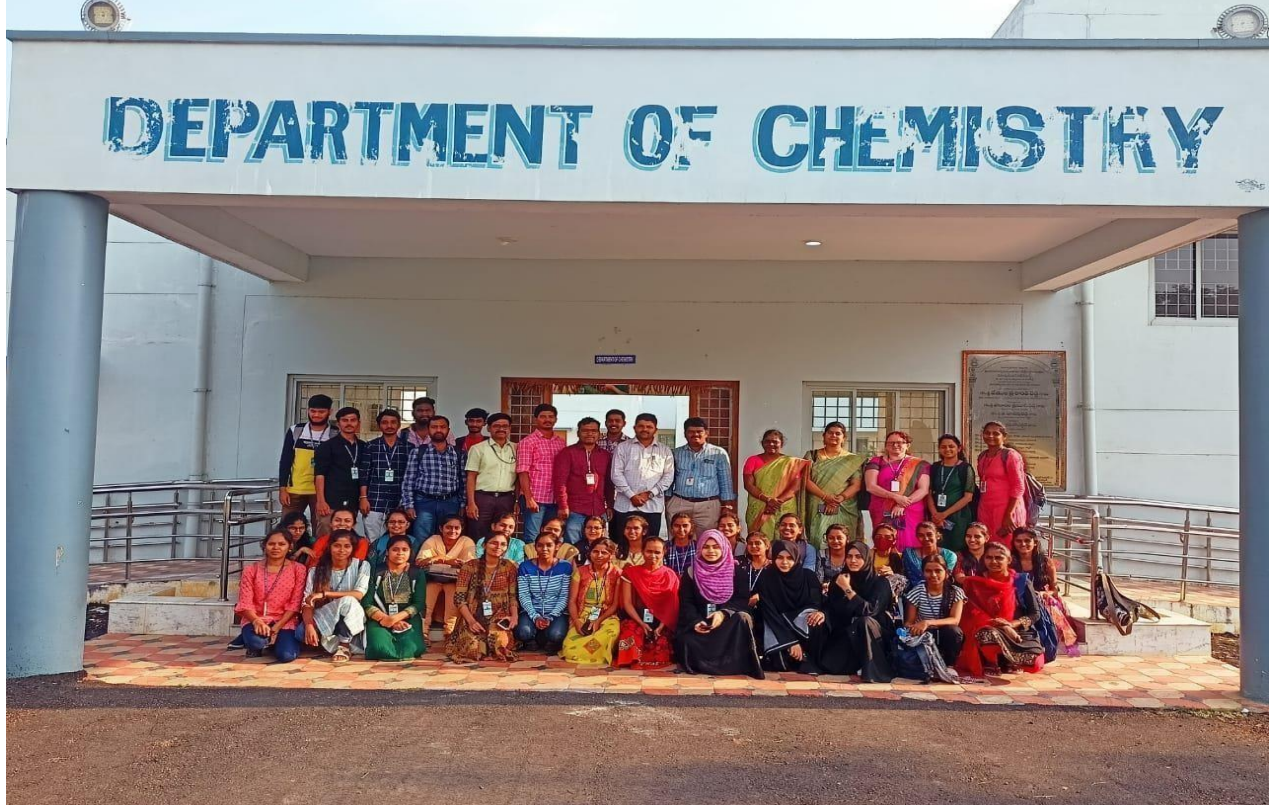

Academic Year-2021-2022

Department of Chemistry staff along with students of B.Sc(Chemistry) III year visited South Campus, Telangana University, Bhiknoor on 30.11.2021. Students and staff visited Department of Chemistry of South Campus which was established in 1976. Principal and Department of Chemistry, South Campus Head Dr. Nagaraju Sir explained students about the importance of chemistry in daily life, Career opportunities in chemistry and recent trends in Chemical Sciences. After that Sir demonstrated separation techniques, working and use of Rotatory Evaporator, UV chamber, Vacuum Pump in the research lab. 41 students participated in this trip. Students felt that this trip will definitely bring a turning point in choosing their career.
