Students approached with issues ranging from academic to personal. We gave them patient hearing on all those issues. We interacted with each student and guided them accordingly as far as academic issues are concerned we also tried to address them as part of classroom activity. The issues that have been frequently brought to our notice are as follows

* Questions on Communication skills (From Telugu medium and rural students)

Response:- Advised them to read newspapers, magazines, Short stories on listening to news bulletins & debates

* Opportunities with English as Core Subject

Response:- Command over English will definitely give an edge over other people particularly in Corporate Sector.

* Personal & Familial issues particularly Cases of parents forcing their wards especially girls to get married against their wills.

Response:- we called & interacted with parents & persuaded them not to do so, stressing the importance of Education particularly for girls.

* Health related issues

Response:- we advised them to follow the Standard Health news bulletin & gave them guidance on better health care norms

* Career Opportunities

Response:- Discussed Career opportunities with graduation as eligibility & post graduation as eligibility in private & public Sectors.

* Gender Equality

Response:- Gave them classes on the Significance of Gender Equality under Gender Justice.

* Interacted with Students on the importance of Harmonious Human relations

* Sensitised the students on the Substance abuse which is increasingly becoming a social menace.
