

## Outreach programme.

'Viswaskantha' old age Home' is a charitable society of Kollapur which is run by Sri. Krishna Mohan, A.P.R.D.O. In this, old people who are neglected and and thrown away from their families are admitted and taken care of on free of cost.

We paid a visit along with some of the college students and spent a day along with them. Thereafter, we distributed fruits and bread to the inmates.
