2021 - 22

WORLD AIDS DAY

Dec 1, 2

World AIDS day was observed on Dec 1, 2021. This day is celebrated every year to raise awareness and knowledge about HIV and a call to move toward ending the HIV epidemic. It was celebrated for the first time in 1988. The theme of "World AIDS Day 2021" is "End Inequalities End AIDS." This day is an opportunity to show solidarity with millions of people living with HIV worldwide.

The statistics of HIV/AIDS in global, Indian & scenario, causes, symptoms, cure and prevention of the disease has been discussed in the lecture given by Dr. P. Rohini, Asst. Prof. of Public Health. Later rally was organised and all the staff and students have participated in this event.
