

2021-2022
FIELD TRIP

Class: B.Sc (B.Z.C) II Year

Visited Place: University Arts & Science College
Hanamankota.

Visiting Purpose: To know about Labs and
Biotechnology equipments.

The Department of Botany has arranged "FIELD TRIP" in the part of Student Awareness Programme.

Students have learned about specimens and slides. They also learned about the Botany and Biotechnology equipments and also known about how to use this equipments.

Students are actively participated in this programme.
