## **1. Title of the Best Practice**

Engaging Students in Quality Enhancement Processes

## **2. The Context**

Higher Education Institutions in India has been playing a crucial role in evolving the knowledge communities and societies dedicated to the advancement of knowledge education system. To this end, the participation of all stakeholders including the involvement of students' participation in the Institutional quality enhancement processes is important. Students' participation in quality enhancement, at Govt. Degree College of Commerce, is an ongoing and continual practice. Students' participation becomes inevitable in the process quality enhancement in higher education due to below listed reasons: .

- Students are seen as qualified human resources who will participate and contribute to the overall growth and development of business and industry. They are the major forces who would continuously strive to develop the frontiers of knowledge. Students' participation in the quality enhancement is viewed as an opportunity where they can participate in its continual development process. This also generates a sense of belongingness towards the Institution and a sense of responsibility for maintaining and protecting the performance excellence of the establishment.
- Teaching is the core area of an educational sector. In an educational institution efficient handling of the teaching-learning practices enable a conducive to meaningfully engage the student voice. Student-friendly teaching learning environment can be created to foster a better learning among students.

## **3. Objectives of the Practice**

Objectives of this practice are

- To develop the institutional culture to engage students and strengthen the student- teacher relationship further.
- To help teachers benefit from the student feedback and evaluation on teaching methodology and classroom learning process.
- To helps the institution in getting the students' insight on key institutional – academic and administrative – aspects.
- To identify any deficiencies in the academic and physical infrastructure and in student services from the perspective of the students can be gained for the purpose of quality enhancement and development.

- To strengthen the student-teacher synergy in the process of quality enhancement in higher education.

#### 4. The Practice

Through the students centric the college is working for enhancement, that quality education through following committees.

- CPDC Committee
- Alumni Committee
- Mentor, Mentee
- IQAC Committee
- Special fee Committee
- Sports Committee
- NSS Committee
- Exam fee Committee
- Students Redressal & Grievance Committee
- Women protection Cell
- Career Guidance Committee
- Job mela Committee

#### 5. Advantages

Through the above Committees ment for student centric overall developments as well as smooth running of the college. It created a friendly nature among the students and staff.

#### 6. Evidences of Success

It has been observed that the students have shown keen interest in understanding the quality initiatives of the college. Many of the students have willingly participated in such activities and committees i.e. Special fee, Restructure Committee ect.... which have given them an opportunity to envision actions embossed with quality levels of the College.

#### 7. Conclusion

A comprehensive and updated profiles of Mentor, Mentee tracking their career growth is also an essential resource. This would help the institution invite those that may be instrumental in giving important inputs in the process of quality enhancement. A comprehensive feedback system where students can voice their concerns and rate various academic and administrative aspects of the institution is another requirement for earmarking areas for quality improvement student seminars and Extension Lectures, Field Trips, NSS Activities which more help full for students for their future leadership and quality education and another more important student feedback system will help for the teachers better teaching learning practices.
