

Government Degree College

Falaknuma, Hyderabad-53

Innovative Practices / Best Practices

01. Peer Demo Sessions among the Faculty Members to identify the Strength, Weakness, Opportunities and Challenges.

These Sessions helped faculty to understate how the topic explanation can be improved with new ways of teaching.

02. Department of **COMPUTERS** have initiated to avoid the plastic by making the students use chart paper for binding the assignments and practical records which are to be submitted by the students as a part of the curriculum.
