Faculty In-charge:

- 1.Dr A.Srinivas Reddy ,Asst.Prof of Zoology
- 2.G.Bhagirath , Asst .Prof of Botany

As a part of Bsc curriculum,The department of Zoology Government Degree College Rangasaipet, Warangal organised a one day field visit for 2nd ,3rd year students of BSC (Zoology) to Krishi Vigyan Kendram, a unit of PVNRT Veterinary University ,Mamnoor ,Warangal on 23rd November 20212. A group of 25 students accompanied were by Dr A.Srinivas Reddy, Asst.Prof.of Zoology I/c of Dept. of Zoology and G, Bhagirath, Asst.Prof.of Botany.

KVK has been function as a Knowledge and Resource Centre in Agriculture Technologies for public and private and voluntary organization. Provide farm advisories through ICT on different topics subject of interested to farmers. Hence we choose this is the correct and right location for field visit to improve skills in the field of Life Sciences.

On 23rd November 2021 all the students and faculty members are assembled at the college premises by 10:50 a m and by 11.40 am. we reached to our destiny.

The program coordinator Dr.N.Rajanna has spoke introductory remarks regarding the aims, objectives and functions of KVK as well as the role of KVK in transform the research knowledge into field activities (I.e. Lab to Land).

Dr.N.Rajanna ,Programme Co-ordinator addressing BZC students

At KVK, The Research Scientist Dr.M.Arunjyothi , Dept.of Home science has given a talk on Mushroom Cultivation and Nutritional Importance by using PPT.,Dr Ch.Sowmya ,Dept.of Agronomy.has also delivered a lecture on “Vermi Compost Preparation-its application in Crop Improvement “ through ICT. These two sessions are very interesting and explore new ideas in the minds of students to start self entrepreneurship after completion of Graduation.

. Dr M.Arunjyothi delivered a talk On Mushrooms      Dr.Ch.Sowmya given a talk on Vermicompost

After theoretical session, the Research scientists and students along with faculty move towards Agricultural fields to observe real time on farm testing Practices related to Vermicompost , Azolla Cultivation .
