

## Introduction

Government Degree College, Kollapur was established in 2008 UGC affiliation under **12(F) was granted in the year 2021**. Since the beginning of the programme, the principal, staff, and CPDC have done all possible to raise the academic standards of rural, underprivileged, and first-generation youngsters in this remote area.

Serving the educational requirements of underprivileged students in the Kollapur Agency region and adjacent mandals.

The College aims to foster the students' holistic development with a focus on curricular, co-curricular and extracurricular activities, in addition to ensuring high-quality teaching and learning with Digital Class Rooms.

The college was certified for ISO 9001:2015 and granted NAAC-C accreditation

This college was shifted just 20 months back to new building which is located out-skirts of the manda, the college has no compound wall. During this period the college has conducted Haritha Haram Programmes twice. As a part of this programme nearly 300 saplings were planted, because of the hot summer and animal distributions nearly half of the plants were destroyed in that place we are replacing with new plants. Due to the above reasons the greenery is not sufficient in the campus.

Our Green Audit Committee took a resolution to increase the Greenery in the Campus and need to do water harvesting.

### OBJECTIVES:

In recent times, the Green Audit of an institution has been becoming a paramount important for self-assessment of the institution which reflects the role of the institution in justifying the present environmental problems. The college has been putting efforts to keep our environment clean since its inception. Therefore, the purpose of the present green audit is to identify, quantify, describe and prioritize framework of Environment Sustainability in compliance with the applicable regulations, policies and standards.

The main objectives of carrying out Green Audit are:

- To map the Geographical Location of the college
- To document the floral and faunal diversity of the college
- To record the meteorological parameter of Ludhiana where college is situated
- To document the ambient environmental condition of weather, air, water and noise of the college
- To document the waste disposal system
- To estimate the Energy requirements of the college

## AUDITING FOR WASTE MANAGEMENT

- 1) What is the total strength of students, teachers and non-teaching staff in your college?

S.No	Description	Response	Remarks
1	No. of Students	268	
2	No. of Teachers	14	
3	No. Non-teaching staff	07	
4	Gents – Ladies	151-138	
	Total	289	

### **1. Waste management**

**Approximate quantity of waste generated per day (in kg)**

<i>Office</i>				
Approx.	Biodegradable	Non -Biodegradable	Hazardous	Others
<1Kg		< 1 Kg	< 1 kg	
2-10Kg	3 Kgs			
>10Kg				

<i>Laboratories</i>				
Approx.	Biodegradable	Non -Biodegradable	Hazardous	Others
<1Kg	< 1 kg	< 1 kg	< 1 kg	
2-10Kg	NIL	NIL	NIL	NIL

>10Kg	NIL	NIL	NIL	NIL
-------	-----	-----	-----	-----

<i>Canteen/kitchen</i>				
Approx.	Biodegradable	Non - biodegradable	Hazardous	Others
<1Kg	NIL	NIL	NIL	NIL
2-10Kg	NIL	NIL	NIL	NIL
>10Kg	NIL	NIL	NIL	NIL
