## DEPARTMENT OF ZOOLOGY

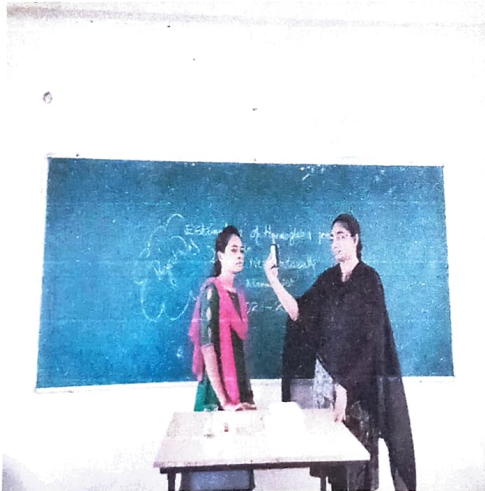

### STUDENT STUDY PROJECT 2021-22

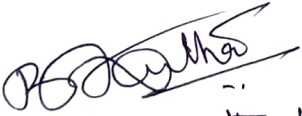

#### Estimation of Haemoglobin in GDC.Nelakondapally students

We The Department of Zoology of GDC Nelakondapally students conducted the blood test for estimation of Haemoglobin percent in GDC.Nelakondapally students.

The main Aim of this project is to estimate the Haemoglobine percent in the students of our GDC .Nelakondapally ,and identify the anaemic students and to advice them to overcome the anaemic problem. For this we conducted the test with the help of Haemo meter and estimated the Hb% about 36 students. Among them 2% are in anaemic condition . so we advice them to take iron supplements and natural food like jiggery,seseme seeds, dates, etc.,.
