\*\*\*\*\*

On the request of the Principal, Govt. Degree College for Women, Khammam, the Director, KITTU VERMICOMPOST & AGRI AGENCIES have come to an understanding to work together for the exchange of technical knowledge to the students of B.Sc. (B7C.) of this college. The AGRI Agency will organize training classes to demonstrate the laying of vermibeds and process the final product in the college. This will enable the students to acquire practical knowledge and skills to establish such units after completing their course of study in the college. This will help to establish self employment units by the students, an eco-friendly practice.

MOU for the Academic Year 2022-2023.
