

## 2. Action Plan for 2021-2022

A meeting was convened with the previous year's IQAC committee <sup>2020-21</sup> to make an action plan for the academic year 2021-2022. As the academic year started in October 2021, the activities were planned accordingly.

Many activities that were incomplete due to pandemic were taken up with double vigour and enthusiasm. Even though most of the activities were covered online, others were planned from the month of October. Both Signasa and cultural events were given more stress. Committee list and mentor-mentee list was finalized and new IQAC committee was constituted.

As Telangana Academic calendar was not published, action plan was prepared in line with the previous year's academic calendar. Almanac became the basis for Annual Curricular Plan.

A review meeting was conducted on 20<sup>th</sup> April 2022 in the Seminar Hall where the CCE team consisting of Dr. G. Yadagiri JD CCE, Dr. DSR Rajender Singh RJD CCE and Dr. D.T. Chary A.G. CCE were the present.

The AGO D.T. Chary spoke at length about the various colleges that went for NAAC recently. The interest of the Commissioner sir in the SSR, the help that CCE staff can offer was clearly enumerated. He also encouraged the staff to include any activity or co-curricular work done till date.

The J.D.R.G. Yadagiri, stressed on the need to study the SSR by all the faculty. The latest way of slide preparation - colourful and attractive. He suggested that the Principal's PPT be observed by all the department HODs and avoid repetition of the photos. He also informed that most of the smaller colleges are doing better because of their unity and collective work. The PPT of every department must reflect the seven criteria information related to the respective departments.

Dr. DSR Rajender Singh RJD recollected the sanction of RUSA funds because of the sheer number of students studying here. We missed

sanction of RUSA funds because of the inability to show case our achievements. He offered to help any convener who wanted and asked for help. He also advised the faculty to be cordial, warm and positive towards the NAAC team. 'A' Grade will enable us to be autonomous, the pride and satisfaction will be worth it. Extra efforts are mandatory for this purpose. He motivated us to review the criteria and see if any additional information could be added to enhance the grade without missing out on anything. The office was also encouraged to file the documents systematically.

The next visit is ~~to~~ to be in the first week of May. The Alumni who are willing to visit and participate in the interactive session must be contacted either on line or off-line. The teaching and non-teaching staff to speak to the point and keep conversation to minimum and appropriate.

Dr. G. Yadagiri wished the college to get A+ grade if not A++ grade. He wished all the staff the very best of luck.

Dr. Naveen Chandra gave an overview of the college web-site updates, and efforts to revamp it further. Dr. Sarojini delivered vote of thank. Lastly, our principal thanked the team for their valuable inputs and encouragement and hoped the efforts of all will bear fruit.
