## Devadula pump house - Godavari 2021-22

04/06/2022

Department of History along with departments of ~~History~~ Economics, Political Science has taken students of BA II & III years students to a field trip. In this field trip students visited Devadula Lift irrigation pump house located at Tupabela Gudern village of Kannaigudem Mandal in Maleru district. This site is situated in a distance of about 50 kms from GDC, Eturnagaram. The students participated in the field trip enthusiastically and studied the uses of the project and understood the significance of the project in pumping the water from the river Godavari.
