IQAC-MEETING

09-09-2021

The Principal Dr. Belli Yadaiah has convened the IQAC-Meeting today to discuss the final submission of SSR - which is due for today.

The Principal in ~~its~~^{his} initial remarks expressed the technical difficulty in the final submission of "Self Study Report", about non-announcement of Results pertaining to the year 2020-21 by the University.

In this regard, the Principal took the status report from all the Criteria coordinators. All the coordinators including the IQAC, coordinator expressed 'no-objection' regarding their respective 'Criteria' if it goes for submission today, without any further delay.

This difficulty was communicated to NAAC, through the Portal. Something was conveyed through telephonic conversation on the Helpline, wherein it has been advised by the NAAC official to put a 'Query' through the portal, freshly.

As such, Second 'Query' was raised through the portal, but no response was received till now.

It may be noted that for the 1st 'Query' raised yesterday, the response was given as, "Submit the SSR after the announcement of the Results", by NAAC.

Hence it has been decided unanimously among all the criteria - coordinators not to send further 'Query' and also to inform the status to 'CLE', today.
