

GOVT. DEGREE FOR WOMEN

NALGONDA

DEPARTMENT OF BOTANY

Name of the activity: Field Work
Date : 23-11-2021
Faculty Involved : Sri. S. Veeraiah.
No of students participated: 30

Objectives:

- 1) To study the plant biodiversity in & around the college campus.
- 2) To collect the twigs for herbarium.

Department of botany conducted a field work as part of DSE-IA Biodiversity & conservation on 23-11-2021. 30 students from B. Sc life sciences were participated in this activity. Sri. S. Veeraiah, asst. prof. of botany guides the students in this activity. As part of the field work students identified and prepared the list of plant species in and around the college campus. They also asses the value of biodiversity of different plant species like avenue, ornamental, timber yielding and medical pants. Students collect the twigs of different plant species to prepare herbarium.

23 Nov 2021 9:26:55 am
Panagal Road
Municipal Quarters Area
