

Department Innovative/ Best Practices

2021-22

Department Best Practices:

a) Digitization of Chemistry department:

- i) Most of the Chemistry departmental data is stored in softcopy.
- ii) Labs stock details are also digitized.
- iii) Soft Copy notes are provided to students through Digital Online Google Classroom.

b) Career guidance:

- ❖ Giving awareness and encouraging students regarding competitive exams preparation for higher education and Jobs
- ❖ Providing Notes for competitive exams

The screenshot displays the Google Classroom interface. At the top left, the Google Classroom logo is visible. On the right side, there are icons for a plus sign, a grid, and a profile picture. Below the header, there are three navigation tabs: 'To do', 'To review', and 'Calendar'. The main area contains eight course cards arranged in two rows of four. Each card has a header with a title and a small image, and a main content area that is currently blank. The cards are:
