GOVERNMENT DEGREE COLLEGE, LUXETTIPET
EXTENSION ACTIVITY - 2021-22

BRIEF REPORT

Our institution in view of inculcating responsiveness, moral and ethical values in students is always a step ahead. In this regard IQAC in association with all the departments has conducted an extension activity of distributing old clothes in the nearby slum area. For this programme students and staff gave their part by bringing old and unused clothes. We distributed the old clothes and the slum people were very happy to receive them. Really this programme moved the students very much and also they have come to know the living standards in the society.
