

HEALTHY PRACTICES

As most of the programs are collectively organized by the college through constituting the committees, the department motivates students and concerned faculty participate in the programs such as

1)Aids awareness

2)NSS Camps

Apart from this programs career guidance cell and student grievances cell are also functioning in the college. The department of faculty is appointed as ward counselor to solve the problems pertaining to the students.

The faculty encourages students to utilize the Gym facilities regularly provided in the campus premises

During the pandemic period also the faculty was consistently in touch with the students by providing various online learning platforms such as whats app groups and online class.

The faculty created their own You Tube Channel and uploaded a number of video lessons which can be accessed by the students as per their convenience.
