

# GOVERNMENT DEGREE COLLEGE, ETURNAGARAM

MULUGU DISTRICT – 506165

*(ACCREDITED WITH 'B' GRADE BY NAAC)*

---

## 1. Restricted entry of automobiles :

Majority of the staff and students come by walk to the college as they reside very near to the college. Some of the staff members use public transport system to come to the college. Very few staff members use two wheelers to come to the college and the two wheelers are also parked in the stand situated at right side of college Entry Gate itself.

## 2. Use of Bicycles/ Battery powered vehicles:

The college main building and new building side by side and the entire department are situated within it, the question doesn't arise for the use of bicycles / battery powered vehicles to move within the college premises.

## 3. Pedestrian Friendly pathways:

The approach road from the college gate to the main building, and to the boys hostel and the corridors within the college building are pedestrian friendly pathways.

## 4. Ban on use of Plastic:

Use of non-recycle plastic is prohibited in the college campus. In the academic year 2018-19 a massive plastic free campaign was conducted and whatever plastic waste that was there in the college campus was collected and disposed. And the college is declared as non-recycle plastic free campus.

## 5. Landscaping with trees and plants

As the college soil is not suitable to grow landscaping, we don't have much landscaping in the college but the college has other greenery plants within the college which suits to the soil.
