### COVID-19 Vaccination.

All the students of BA/BCom/BSc are informing you that, the COVID-19 virus is still at pandemic and spreading rapidly. Some of the students were vaccinated in the college and few were vaccinated outside. However, all the students of the college have to be vaccinated compulsory. Those students who were not vaccinated till now meet to the Lecturer U. Swamy, Dept. of Zoology, today itself. The Vaccination camp is again going to be launched in the college.

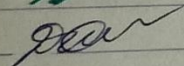

Students, those who were vaccinated should send their certificate to your group mentor (teacher) or in your group. The teachers will collect these all and submitted to higher authorities.

Those who were unable to get the certificate should meet your class mentors for easy access.
