

Reading of books Library is like a treasure for a good change in life. A book is a place to impart knowledge to others. In our college we use room number 11 as a library which has 2626 books and some types of magazines, journals, Telugu news papers, Hindi newspaper and English newspapers are kept in the library. New books are brought out every year and this time in 2021-22, 31- books have been newly added.

The library has 4 desktop computers with internet facility. With this library facility, students can browse and read online by installing Koha software. For that NDLI has been accessed with National Digital Library of India e-library the gate register is updated daily by library staff

some types of magazines, journals

Fire extinguishers have been installed outside the library

Our college has 35 desktop **computers** with internet facility which is adequate for the total number of computer science students. Also software has been installed in the administrative office and library along with installation of inverters.

Inverters are used for uninterrupted power supply

Our college has 4 **laboratories** namely Botany, Zoology, Chemistry and Physics laboratory which help students acquire knowledge and develop necessary skills for research. Laboratory is always an important part as far as science teaching is concerned and for that our college gets budget from the office of Commissioner of Collegiate Education CCE for purchase of new equipments chemicals. This fee is allocated equally to all science labs.

Fire extinguishers have been installed outside the science lab

Although the total number of **classrooms** in the college is 13, classes are held in the seminar hall and ICT room at some times . Maintenance of electrical equipments like fans, LED tube lights in classrooms is done by concerned incharge.

The college ground has an area of 22 pits
