

**NTR GOVERNMENT DEGREE COLLEGE FOR
WOMEN, MAHABUBNAGAR**

DEPARTMENT OF PHYSICS

BEST PRACTICES

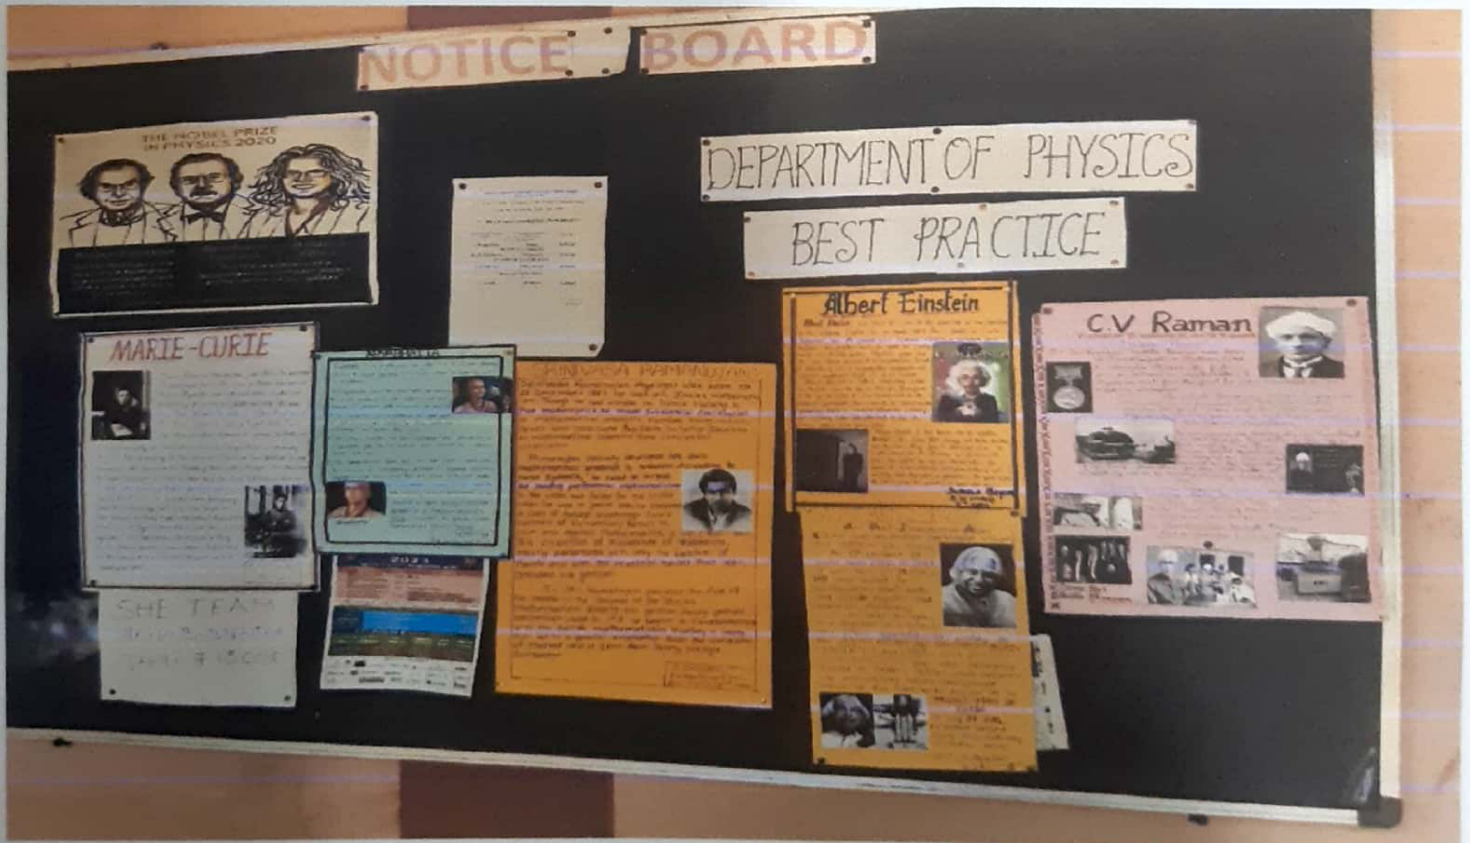

**I. DISPLAY OF SCIENTISTS ACHIVEMENTS
WEEKLY ON NOTICE BOARD**

Department of Physics started a new Best Practice in which students from all groups will get a chance to display a chart containing a portrait of any one famous scientist from any science discipline with their peculiar invention & it's description weekly on Physics Department Notice board.

OBJECTIVE: The main aim of this activity is to develop interest among students about Science & Scientist's life, their struggle against orthodox societal norms & believes, their achievements & success against all odds, how their inventions brought revolutionary changes in today's scientific world.

This activity encourages students to get motivation, inspiration & to think creatively for their future life goals.
