

GDC NARSAPUR, MEDAK DISTRICT
DEPARTMENT OF CHEMISTRY
Details of Conferences / Seminars / Workshops
(Academic Year: 2021 – 2022)

I have not organized Conferences / Seminars / Workshops at the State / National / International level for the Chemistry Department in this academic year due to our involvement in NAAC work and the shortening of the academic year. Online classes have been conducted through the Zoom app from January 17 to January 30, 2022.
