Note

- All the conveners have to prepare their committee reports with photographs ready for all the five years till NAAC PEER TEAM VISIT
- Share the work with your members. Ultimately convener is held responsible
- The list of activities with all the details should be in soft copy and indexed chronologically, neatly and legibly.
- It is advised to have soft copies only.
- In case of some committees like Swayam for example, the list of faculty and students enrolled should be collected and a report to be submitted
- All the reports should be duly signed by Convener, IQAC Coordinator and Principal.
- Try for Colour Cover pages, photographs and other things which you think will beautify your report.
- Any Doubts, Please feel to contact Conveners, IQAC, Vice-Principal or Principal.

- Website Committee is requested to update regularly in the college website-activities, webinars,workshops etc and also maintain our college's YOUTUBE channel too.
- Each Committee convener should have academic calendar /plan of action, objectives, meetings register, minutes, resolutions passed, members and please note that two students should also be made student members in their respective committees. To frame objectives, see or google objectives by the same name committee for example, objectives of WEC", read out and select what is best to our college.
- Not just the convener but each member is accountable for their committee. Build in a team, discuss, delegate and complete the work.
