Dr. Ch. RamaRaju, M. Sc., M. Ed, Ph.D.

Principal (FAC)

Department of Computre Science

BEST PRACTICES

1. BRIDGE COURSE

Bridge Courses are conducted in first year to bridge the gap between the computer and non-computer students. The objective is to lay foundation on the subjects and to enhance the interest of the students on the subjects. The Course is offered to Non-Computer Students joined in B.Sc(Mpcs) & B. Com(CA) SEM-I Course.

2. DEPARTMENTAL LIBRARY

Departmental Library is maintained where faculty and students can take the books for reference.

3. COMPUTER LAB

The Computer Lab is an Internet Facility, where in students practice their theoretical knowledge gained in classroom.

One of the major objectives of a computer lab is the introduction to the various instruments and documents used in computer based application and services such as:

- ❖ Designing Word Documents
- ❖ Design PowerPoint Presentations
- ❖ Creating Excel Sheets etc.

List of few activities undertaken in the Computer lab are

- ❖ Group discussions and mock interviews are practiced in the lab which will facilitate them to develop communication and presentation skills.
- ❖ Preparation of charts by students on computer related topics.
