Title: Communication Skills Lab Maintained by Department of English

Objective

- To Develop communication and soft skills among the students
- To aware the students about the skills of Listening, Speaking, Reading and Writing.
- To develop competitive English and interview skills among the students for various competitive Examinations, job melas etc

The Context:

Most of the students are taking English subject just to pass the internal assessments and semester exams. There is a need for them to consider English on par with other subjects. With the results, they are becoming deficient in speaking and writing skills of English which are essential for various competitive Examinations and job interviews.

The Practice:

Communication skills lab maintained by the department of English is equipped with computer systems Provided with headsets. Various programs of communication skills are installed in the systems. The Students are instructed to listen and practice the skills in the lab.

Evidence of Success

The students of each class practice the communication skills in the lab according to the day and time allotted to them as per the special timetable of the lab. Student Visitors' Register is maintained
