Aware'21 For GDC- BODHAN

"Sensitizing the Students to be Nextgen
Entrepreneurs"

Dt. 20.10.2021.

An awareness programme, titled "Aware'21 for GDC, Bodhan" was organised by EDCBU of GDC, Bodhan. The main topic of the programme was "sensitizing the students to be nextgen Entrepreneurs" to promote the Entrepreneurship in the society. It was held on 20-10-2021 through Zoom. This programme is organised in collaboration with the "Orissa Technology Business Incubator" of O.U. In the programme the students highlighted how to go for "Entrepreneurship Skill Development Certificate Courses".

The students were also created awareness about the programmes of OTBI (Technology Business Incubator). The programmes being given are...

- > student / Faculty / Alumni Start up Innovation programme.
- > Certification Booth Camps
- > Bootcamps / Hackathon
- > Webinars / Workshops
- > Campus Ambassador programme for OTBI
- > SHS Leads - Women Entrepreneurship programme.
- > Lab facilities
- > Legal & IPR Services
- > Start up services
- > Centre of Excellence
- > Start up Approval

It was also educated to the students which are really trust and relying on it. Trusted areas of OTBI:

- I > Engineering Dept & Electronics & Electrical & Communication
- > Computer Sciences
- > Mechanical
- > Civil
- > Bio-medical.
- II Sciences Dept.
- > Earth, Life Sciences
- > Chemical Sciences
- > Physical Sciences
- III Other Departments:
- > Education
- > Library Management.

It was also guided to the students ~~trust~~ about the SPARSH Fellowship in which it offers Rs 5000/- stipend to the students.

OTBI also gives the information about Rural/Local immersion of the professionals.

The Core values of OTBI:

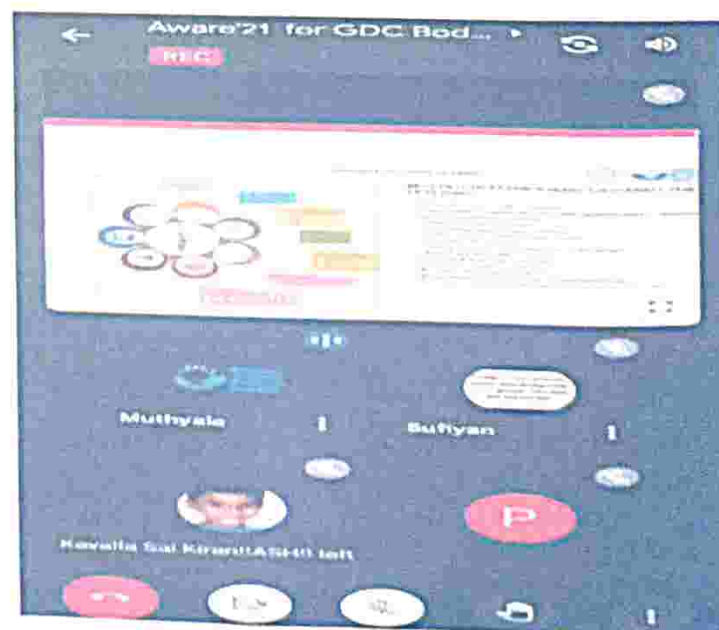

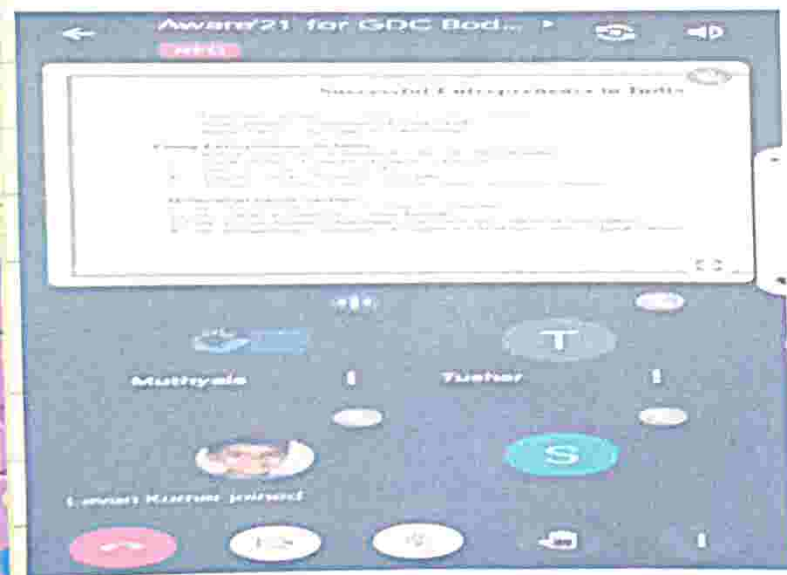

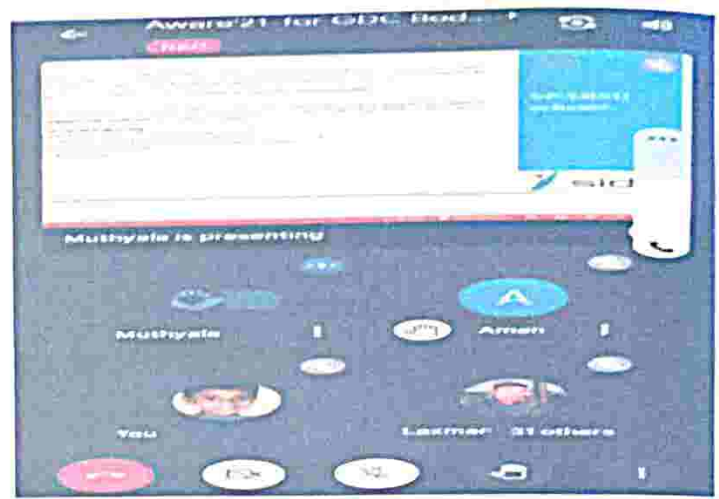

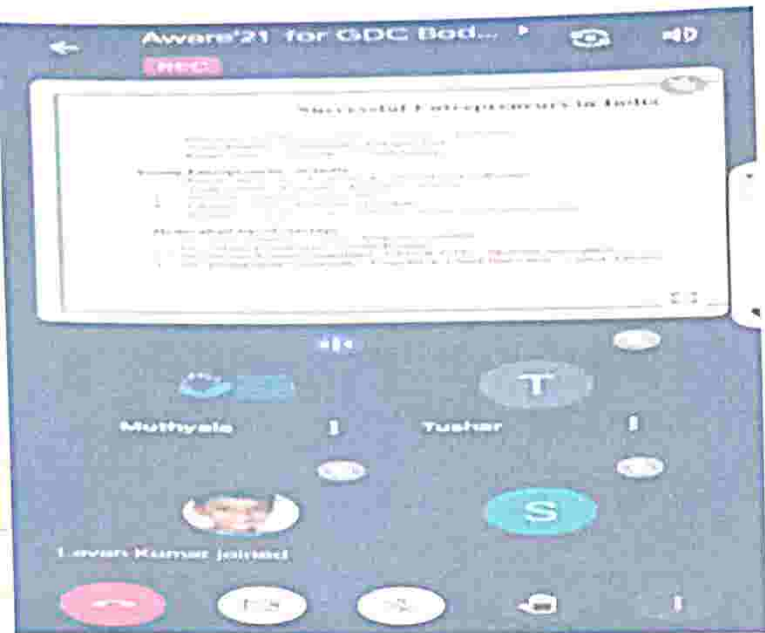

- > Honesty
- > Trust
- > Wisdom
- > Optimism
- > Reliability

Made Awareness among the students about the Best Practices for making Successful Startups. They were also given the details of Successful Entrepreneurs in India.
